Pre-World War II Hollywood musicals weren't only about Astaire and Rogers, Mickey and Judy, Busby Berkeley, Bing Crosby, or Shirley Temple. The early musical developed through tangents that reflected larger trends in film and American culture at large. Here is a survey of select titles with a variety of influences: outsized songwriter personalities, hubbub over "hillbilly" and cowboy stereotypes, the emergence of swing, and the brief parade of opera stars to celluloid. Featured movies range from the smash hit Alexander's Ragtime Band (1938), to obscurities such as Are You There? (1930) and Swing, Sister, Swing (1938), to the high-grossing but now forgotten Mountain Music (1937), and It's Great to Be Alive (1933), a zesty pre-Code musical/science-fiction/comedy mishmash. Also included are some of the not-so-memorable pictures made by some of the decade's greatest musical stars.

Click here to find out more about the 2009 MLA Updates and the 2010 APA Updates. Real Essays with Readings is the essay-level book in Susan Anker ' s highly successful series of writing texts that motivate students with their message that writing is an essential skill in college and in real life — and that this skill is achievable. Anker ' s advice, examples, and assignments show the relevance of writing to all aspects of students ' lives, and profiles of former students prove that success is attainable. Like all the books in the Anker series, Real Essays presents writing in logical, manageable increments: step-by-step writing guides and a focus on the "four basics" of each mode of writing keep students from becoming overwhelmed. Real Essays maintains its emphasis on what really matters by focusing on the four most serious errors (fragments, run-ons, subject-verb agreement problems, and verb form problems). Real Essays gives students what they need to succeed in college and become stronger academic writers.

* The "Everypersons" guide to understanding and repairing common electronic devices--written for people who would ordinarily "call the shop" * Covers TVs, DVDs, CD-players, Audio tuners and receivers, speaker systems, radios, telephones, and FAXs, and more * Includes "Electronics 101" for true beginners * No technical background necessary--features easy-to-understand language and clear instructions * New chapters on wireless cellular phones and DVD systems

A sense of fatigue dogs the fitness world. Many of the new programs that are tagged as groundbreaking are actually recycled ideas. Foundation offers something completely different for novices and athletes alike: a simple program with powerful and proven results that will remedy bad posture, alleviate back pain, and help readers break through fitness challenges and plateaus. Dr. Eric Goodman, a brilliant and dynamic young chiropractor, teams up with Peter Park, one of the top trainers in the United States, to radically redefine the core--shifting the focus from the front of the body to the back. Their groundbreaking approach works to strengthen the lower back and the full posterior chain and correct poor movement patterns by addressing mechanical imbalances and weaknesses. Foundation training involves simple movement patterns and is equipment free, creating maximum power, flexibility, and endurance. Word-of-mouth enthusiasm has inspired both Hollywood luminaries and world-class athletes to make Foundation training the core of their fitness programs. Eric and Peter's client list has grown

exponentially to include Lance Armstrong, NBA star Derek Fisher, world-champion surfer Kelly Slater, and actor Matthew McConaughey.

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

With a range that spans the lyrical, heartfelt songs “ Angel from Montgomery, ” “ Sam Stone, ” and “ Paradise ” to the classic country music parody “ You Never Even Called Me by My Name, ” John Prine is a songwriter ’ s songwriter. Across five decades, Prine has created critically acclaimed albums—John Prine (one of Rolling Stone ’ s 500 Greatest Albums of All Time), Bruised Orange, and The Missing Years—and earned many honors, including two Grammy Awards, a Lifetime Achievement Award for Songwriting from the Americana Music Association, and induction into the Nashville Songwriters Hall of Fame. His songs have been covered by scores of artists, from Johnny Cash and Miranda Lambert to Bette Midler and 10,000 Maniacs, and have influenced everyone from Roger McGuinn to Kacey Musgraves. Hailed in his early years as the “ new Dylan, ” Prine still counts Bob Dylan among his most enthusiastic fans. In John Prine, Eddie Huffman traces the long arc of Prine ’ s musical career, beginning with his early, seemingly effortless successes, which led paradoxically not to stardom but to a rich and varied career writing songs that other people have made famous. He recounts the stories, many of them humorous, behind Prine ’ s best-known songs and discusses all of Prine ’ s albums as he explores the brilliant records and the ill-advised side trips, the underappreciated gems and the hard-earned comebacks that led Prine to found his own successful record label, Oh Boy Records. This thorough, entertaining treatment gives John Prine his due as one of the most influential songwriters of his generation.
