There have been many scares recently about the long-term effects of HRT treatment and so today many women are looking for alternatives to HRT as a way of dealing with the symptoms of the menopause. Diet and nutritional supplements are the natural preferred choice for those seeking another course. This book gives a collection of everyday recipes high in phyto-oestrogens, isoflavones and calcium-rich foods which have been shown to benefit, both in the short and long term, menopausal women. Based on her own experiences, Jane Frank has devised this book for women who, like her, prefer not to be obliged to take HRT.

Many of us experience signs and symptoms of hormonal imbalance every day. Do you have trouble dragging yourself out of bed in the morning? Ever have an uncontrollable sugar craving at 3 p.m.? Chronic headaches? Lack of energy? Do you get stressed just sitting in your office? Our bodies are wired to send us signals when something isn't right, but often we're too busy to hear them. Compounding the problem is a lack of understanding about the consequences if these symptoms are left unaddressed. Without hormonal balances, we are more likely to succumb to many diseases and illnesses. The Hormone Diet lays out a foolproof plan to balance your life, one hormone at a time. But it is more than
