Orlando has done it again with these twelve hot new tales in his latest story collection. In Special Services Bradley finds out that his new bride expects him to become her permanent toilet, then in Just a Friend, Keith's wife brings home a hunk from work for a date...but the date isn't with her! Then in My Ex-wife's New Maid, Bruce accepts an invitation to visit his ex, only to be drugged and turned into a maid who will service her like a Queen. When she finally brings a male friend home and expects him to service him too, he revolts! Then, Brian makes a bet in A Proper Pedicure with his wife Betty, and unexpectedly loses. Due to a stiff penalty clause in the contract they signed, he has no choice but to submit to whatever she wants for the next week. And in Permanent Acquisition, David finally finds a woman to serve. He thinks it's just for a week, but Miss Sally doesn't do just a week!

A View from the Bottom offers a major critical reassessment of male effeminacy and its racialization in visual culture. Examining portrayals of Asian and Asian American men in Hollywood cinema, European art film, gay pornography, and experimental documentary, Nguyen Tan Hoang explores the cultural meanings that accrue to sexual positions. He shows how cultural fantasies around the position of the sexual "bottom" overdetermine and refract the meanings of race, gender, sexuality, and nationality in American culture in ways that both enable and constrain Asian masculinity. Challenging the association of bottoming with passivity and abjection, Nguyen suggests ways of thinking about the bottom position that afford agency and pleasure. A more capacious conception of bottomhood—as a sexual position, a social alliance, an affective bond, and an aesthetic form—has the potential to destabilize sexual, gender, and racial norms, suggesting an ethical mode of relation organized not around dominance and mastery but around the risk of vulnerability and shame. Thus reconceived, bottomhood as a critical category creates new possibilities for arousal, receptiveness, and recognition, and offers a new framework for analyzing sexual representations in cinema as well as understanding their relation to oppositional political projects.
