When ebay gives something it expects to benefit in some way or other. Does your friend sell in the same category? If not what you sell might not have many sales, or the number of listings might be going down. It could even be the exact reverse, your category might be buoyant and ebay wants more listings and a bigger slice of the pie.

deserving special place in the market among the various books about eBay. Why? Because this book is of tremendous practical help to eBay sellers. The author makes the point in his introduction that there are major challenges with marketing and making money on eBay and now he helps others easily overcome the hurdles that limit their cash flow and profits. As always, Robert Boduch over-delivers. He shows how eBay sellers can become super-sellers, securing bigger profits through their successful listings relying on super ads. Attached to the golden, practical ideas and approaches generously offered are 'before and after' benefits -- which make this book unique. The author also paints a clear picture of the eBay reality, explaining why eBay it is a world leader in Internet selling. This kind of knowledge is crucial for approaching eBay in the most effective way. As a side benefit, readers not only learn eBay Selling Tips, but what makes advertising effective in general. Buyers will obtain the knowledge which allows them also to start creating irresistibly responsive ads in other fields of marketing. The writing style provides a smooth, easy flow that makes reading enjoyable. It's a short, 160-page volume, but readers will discover many tips and strategies available to everyone to open the gate to maximum profits on eBay." Stefan Pecho, PhD. first. Did you know that the single most important factor to success on eBay is WHAT you have to offer? That's right. Sell what other people really want and you've given yourself a huge advantage. It used to be that you could list anything here and it would fetch good -- sometime outrageously good money. But for most of us, those days are gone. Offer what people want and present it with a compelling description. That's how you attract lots of bids and eager buyers --- driving your selling prices and profits higher. And that's exactly what eBay Selling Tips is all about. In this book, you'll learn:

- \* A simple, 2-minute solution to uncovering all the product information you need to write a dynamite eBay description - on the spot! (I guarantee you this: anyone struggling to write a 5-minute listing simply missed this crucial first step)
- \* REVEALED! The 2 most important things every potential buyer MUST know about you before placing a bid... and how to address both issues quickly and decisively
- \* The one secret of communication you must use to capture your prospect's attention... keep 'em interested... and motivate these qualified potential buyers to take the action they need to take to get what they want
- \* Secrets top publications like the Wall Street Journal use to keep readers reading and how you can apply these simple - but extremely effective - techniques instantly
- \* How to build your own audience of enthusiastic customers who can't

complete official guide for eBay Australia written by a company insider. Covers such topics as finding items and bidding on them, pricing and listing items for sale, accepting payments, tracking sales, logistics, customer service, and more. Perfect for every eBay user, from part-timers to serious sellers who want to build a profitable business. The New eBay is the ideal guide for anyone who wants to get the most out of the world's most popular shopping and selling site.

It's the undisputed king of Internet auction sites. It's a global bazaar offering a range of goods from Antiques to Zulu Daisies. Cars, clothing, collectibles: you name it, and it's likely that you can find on eBay. But along with the vast selection of goods available, buyers and sellers also encounter all the other elements that markets are known for: tricks and swindlers, overpriced goods, deceptive labeling, small print, recycled items marked as new, and the occasional rare priceless find or undiscovered treasure. Seasoned eBay traders know that to successfully buy and sell within this mega-shopping platform, you need to understand the system. Unfortunately, the secrets of the site are often tightly held by other buyers and sellers seeking a competitive edge. But what if you're a newcomer? Or an experienced trader who wants to make the jump to power buyer or seller? eBay: The Missing Manual

method, or to sign up for this course. But, that's all they are - promises. Sell It Online is different. It's written by a real eBay Power Seller and Top Rated Seller. One who's been selling on eBay and Amazon for over fifteen years. Most importantly, Sell It Online doesn't make any crazy promises that you'll make a million dollars overnight selling on any of these sites. It's not going to happen. It also doesn't tell you that you can make three thousand dollars a month following my method, because those kinds of promises don't make sense. Anyone can make money selling online. But, you aren't going to make a fortune following someone else's plan.
