The book of Revelation begins with a promise: "Blessed is he who reads and those who hear the words of this prophecy, and keep those things which are written in it; for the time is near" (Rev. 1:3). God calls us to faithfully study His Word and understand the truths about where we have been, where we are, and where we are going so that we may stand firm in these last days. "An Enduring Vision: Revelation Revealed" is an in-depth, verse-by-verse exposition of the book of Revelation. An avid student of the Bible, history, and Spirit of Prophecy, Pastor Austin Cooke thoroughly examines Revelation in light of history and presents a solid interpretation of prophecy based on Bible truth, drawing from sources that date back to the 1700s all the way to recent publications, including current media. This book will engage you with its in-depth study of history, amaze you as to the accuracy of God's prophecies, and inspire you to be ready for the second advent of Jesus.

The Second Edition of Curriculum Theory: Conflicting Visions and Enduring Concerns by Michael Stephen Schiro presents a clear, unbiased, and rigorous description of the major curriculum philosophies that have influenced educators and schooling over the last century. The author analyzes four educational visions—Scholar Academic, Social Efficiency, Learner Centered, and Social Reconstruction—to enable readers to reflect on their own educational beliefs and more productively interact with educators who might hold different beliefs.
