and illustrates the techniques and values that guide its application.

Organized around the authors' coherent and cohesive Generalist Intervention Model, this introductory guide to generalist social work practice gives students the knowledge and skills they need to work with individuals and families, as well as the foundation to work with groups, communities, and organizations. Updated to reflect current topics and practice, the book focuses on micro levels of social work practice while also discussing the interrelationship between the micro, mezzo, and macro levels. Part of the BROOKS/COLE EMPOWERMENT SERIES, UNDERSTANDING GENERALIST PRACTICE, 7th Edition, clearly identifies content related to the latest Council on Social Work Education (CSWE) Educational Policy and Accreditation Standards (EPAS) with icons throughout the text. New learning objectives, which are correlated to chapter headings and summaries, guide students' reading and reinforce their understanding. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Dr. Rhonda Sutton's second edition of the straightforward guide to progress notes includes additional examples, information, documentation, and clinical language that expands on the utility and readability of the first book. Additional case studies provide examples of how to use the STEPs to format notes. New chapters include information on clinical language and documentation. This book covers everything about progress notes, from how to write them, to how to store them, and even what to do when someone requests to them. In addition, clinical terms and abbreviations are included as well as suggestions for other clinical documentation such as termination letters, privacy statements, and professional disclosure statements. Suited for all types of mental health clinicians, this book will help therapists improve upon their progress notes and other forms of clinical documentation.

Master the hows and whys of documentation! This is the ideal resource for any health care professional needing to learn or improve their skills—with simple, straight forward explanations of the hows and whys of documentation. It also keeps pace with the changes in Physical Therapy practice today, emphasizing the Patient/Client Management and WHO's ICF model.

Written specifically for occupational therapy assistants, The OTA's Guide to Writing SOAP Notes, Second Edition is updated to include new features and information. This valuable text contains the step-by-step instruction needed to learn the documentation required for reimbursement in occupational therapy. With the current changes in healthcare, proper documentation of client care is essential to meeting legal and ethical standards for reimbursement of services. Written in an easy-to-read format, this new edition by Sherry Borcharding and Marie J. Morreale will continue to aid occupational therapy assistants in learning to write SOAP notes that will be reimbursable under Medicare Part B and managed care for different areas of clinical practice. New Features in the Second Edition: • Incorporated throughout the text is the Occupational Therapy Practice Framework, along with updated AOTA documents • More examples of pediatrics, hand therapy, and mental health • Updated and additional worksheets • Review of grammar/documentation mistakes • Worksheets for deciphering physician orders, as well as expanded worksheets for medical abbreviations • Updated information on billing codes, HIPAA, management of health information, medical records, and electronic documentation • Expanded information on the OT process for the OTA to fully understand documentation and the OTA's role in all stages of treatment, including referral, evaluation, intervention plan, and discharge • Documentation of physical agent modalities With reorganized and shorter chapters, The OTA's Guide to Writing SOAP Notes, Second Edition is the essential text to providing instruction in writing SOAP notes specifically aimed at the OTA practitioner and student. This exceptional edition offers both the necessary instruction and multiple opportunities to practice, as skills are built on each other in a logical manner. Templates are provided for beginning students to use in formatting SOAP notes, and the task of documentation is broken down into small units to make learning easier. A detachable summary sheet is included that can be pulled out and carried to clinical sites as a reminder of the necessary contents for a SOAP note. "Answers" are provided for all worksheets so that the text can be used for independent study if desired. Updated information, expanded discussions, and reorganized learning tools make The OTA's Guide to Writing SOAP Notes, Second Edition a must-have for all occupational therapy assistant students! This text is the essential resource needed to master professional documentation skills in today's healthcare environment.
