certainly knew of one another - Obayd wrote at least two poems about Jahan Khatun, and Jahan Khatun quotes Hafez in one of her poems. It's extremely likely that, during the 1340s and early 1350s at least, they also knew one another personally. The poetic life of the city during this period centered on the court of the ruling family, the Injus; Jahan Khatun was an Inju princess, while her uncle, Abu Es'haq, the head of the family and the ruler of the city, was a great patron of poets.

'Drunk or sober, king or soldier, none will be excluded' Sensual, profound, delighted, wise, Hafez's poems have enchanted their readers for more than 600 years. One of the greatest figures of world literature, he remains today the most popular poet in modern Iran.

masterly new translation A Penguin Classic The iconic love story of the Middle East, by a twelfth-century Persian poet who has been compared to Shakespeare for his subtlety, inventiveness, and dramatic force, Layli and Majnun tells of star-crossed lovers whose union is tragically thwarted by their families and whose passion continues to ripple out across the centuries. Theirs is a love that lasts a lifetime, and in Nezami's immortal telling, erotic longing blends with spiritual self-denial in an allegory of Sufi aspiration, as the amenities of civilization give way to the elemental wilderness, desire is sublimated into a mystical renunciation of the physical world, and the soul confronts its essence. This is a tour de force of Persian literature, in a translation that captures the extraordinary power and

The Epic of Kings, Hero Tales of Ancient Persia Firdausi - The Epic of Kings, Hero Tales of Ancient Persia (The Shahnameh) is an epic poem by the Persian poet Firdausi, written between 966 and 1010 AD. Telling the past of the Persian empire, using a mix of the mythical and historical, it is regarded as a literary masterpiece. Not only important to the Persian culture, it is also important to modern day followers of the Zoroastrianism religion. It is said that the poem was Firdausi's efforts to preserve the memory of Persia's golden days, following the fall of the Sassanid empire. The poem contains, among others, mentions of the romance of Zal and Rudba, Alexander the Great, the wars with Afrsyb, and the romance of

A phenomenally precocious schoolboy, Rimbaud was still a teenager when he became notorious as Europe's most shocking and exhilarating poet. During his brief 5-year reign as the enfant terrible of French literature he produced an extraordinary body of poems that range from the exquisite to the obscene, while simultaneously living a life of dissolute excess with his lover and fellow poet, Verlaine. At the age of 21, he abandoned poetry and travelled across Europe before settling in Africa as an arms trader. This edition sets the two sides of Rimbaud side by side with a sparkling translation of his most exhilarating poetry and a generous selection of the letters from the harsh and colourful

“Paul Tran’s debut collection of poems is indelible, this remarkable voice transforming itself as you read, eventually transforming you.”

“Alexander Chee, author of *How to Write an Autobiographical Novel* “A stunning debut.” “Natasha Trethewey, Pulitzer Prize-winning poet and author of *Memorial Drive* A profound meditation on physical, emotional, and psychological transformation in the aftermath of imperial violence and interpersonal abuse, from a poet both “tender and unflinching” (*Khadijah Queen*) Visceral and astonishing, Paul Tran’s debut poetry collection *All the Flowers Kneeling* investigates intergenerational trauma, sexual violence, and U.S. imperialism in order to radically alter our understanding of

freedom, power, and control. In poems of desire, gender, bodies, legacies, and imagined futures, Tran's poems elucidate the complex and harrowing processes of reckoning and recovery, enhanced by innovative poetic forms that mirror the nonlinear emotional and psychological experiences of trauma survivors. At once grand and intimate, commanding and deeply vulnerable, *All the Flowers Kneeling* revels in rediscovering and reconfiguring the self, and ultimately becomes an essential testament to the human capacity for resilience, endurance, and love.

cannot read. Written when the speaker, Little Dog, is in his late twenties, the letter unearths a family's history that began before he was born — a history whose epicenter is rooted in Vietnam — and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable love between a single mother and her son, it is also a brutally honest exploration of race, class, and masculinity. Asking questions central to our American moment, immersed as we are in addiction, violence, and trauma, but undergirded by compassion and tenderness, *On Earth We're Briefly Gorgeous* is as much about the power of telling one's own story as it is about the obliterating silence of not being heard. best of Russian poetry, edited by acclaimed translator Robert Chandler together with poets Boris Dralyuk and Irina Mashinski. In the late eighteenth and early nineteenth centuries, poetry's pre-eminence in Russia was unchallenged, with Pushkin and his contemporaries ushering in the 'Golden Age' of Russian literature. Prose briefly gained the high ground in the second half of the nineteenth century, but poetry again became dominant in the 'Silver Age' (the early twentieth century), when belief in reason and progress yielded once more to a more magical view of the world. During the Soviet era, poetry became a dangerous, subversive activity; nevertheless, poets such as Osip Mandelstam and Anna Akhmatova continued to defy the censors. This anthology traces
