Until the 12th century, "pride" was the typical answer as to why fallen angels fell. But that meant God would have had to create something with a crippling, all-powerful amount of pride, and that didn't fly. So scholars came up with the idea that angels had been created with a natural love that allowed them to love God, themselves, and each other.

Fallen Angels by Walter Dean Myers is a young adult novel about seventeen-year-old Richie Perry, a Harlem teenager who volunteers for the Army when unable to afford college and is sent to fight in the Vietnam War. Perry and his platoon [Peewee, Lobel, Johnson, and Brunner] come face-to-face with the Vietcong, the harsh realities of war, and some dark truths about themselves. A thoughtful young man with a gift for writing and love of basketball, Perry learns to navigate among fellow soldiers under tremendous stress and struggles with his own fear as he sees things he'll never forget: the filling of body bags, the deaths of civilians and soldier friends, the effects of claymore mines, the fires of Napalm, and jungle diseases like Nam Rot. Available as an e-book for the first time on the 25th anniversary of its publication, Fallen Angels has been called one of the best Vietnam War books ever and one of the great coming-of-age Vietnam War stories. Filled with unforgettable characters, not least Peewee Gates of Chicago who copes with war by relying on wisecracks and dark humor, Fallen Angels [reaches deep into the minds of soldiers] and makes [readers feel they are there, deep in the heart of war.] Fallen Angels has won numerous awards and honors, including the Coretta Scott King Award, an ALA Best Book for Young Adults, a Booklist Editors Choice, and a School Library Journal Best Book. Fallen Angels was #16 on the American Library Association's list of the most frequently challenged books of 1990-2000 for its realistic depiction of war and those who fight in wars.

My name is Frank. I joined the police force to make a difference, but from the first day on the job, everything I've done has made life worse for everyone around me. For twenty-five years, I searched for meaning, to make sense of my life, but I never found any answers. Just when I decide to turn my back on my life's work, I uncover a conspiracy more sinister than anything I ever imagined. As I investigate, I realize that even if I stop the conspirators, the blood of innocents will be on my hands: thousands will die. If I don't stop them, all of mankind will suffer an age of darkness...

to the Gazelle Daily News in San Bernardino is evidence that the priest was alive in Mexico. The killer is never found. The seemingly perfect crime. 16 years later, Prosecutor Johnny Drake discovers that Tony Buffalino had accused the Monsignor of infidelity with his wife, the rich, beautiful, and world renown diviner of the Tarot, Madame Ivory. She wears a ring of Fortune, that when she blows on it, her eyes glow red like the Devil. Tony telephones Scott Hartless a.k.a. Mr. S. Monk, a devout monk at the Canterbury Cathedral in England is an assassin willing to kill anyone and anything to defend the faith of the Roman Catholic Church. Scott leaves for America and is arrested by patrol officer Big Will who tells him that confession is good for the soul. Sheila Williams, an African- American gay defense attorney from Palm Springs, takes the case. She elicits the help of a robot named Roberta with artificial intelligence and vast legal knowledge. The robot is the first synthetic human who is sentient with the capability to testify in court. The robot will soon be knocking on the U.S. Supreme Courthouse doors. Cyberspace libraries from around the world fling open their coffers and money comes rolling in to the Mr. S. Monk Defense Fund. On the courthouse steps, the robot is assassinated, Pandemonium, like an atomic bomb sends the crowds into chaos. This is a gripping novel that pulls the reader into the lives and sexual affairs of the characters in what looks like a world gone mad. Electrifying and shocking. Brilliantly executed.

This book ventures to describe Augustine of Hippo's understanding of demons, including the theology, angelology, and anthropology that contextualize it. Demons are, for Augustine as for the Psalmist (95:5 LXX) and the Apostle (1 Cor 10:20), the gods of the nations. This means that Augustine's demons are best understood neither when they are spiritualized as personifications of psychological struggles, nor in terms of materialist contagions that undergird a superstitious moralism. Rather, because the gods of the nations are the paradigm of demonic power and influence over humanity, Augustine sees the Christian's moral struggle against them within broader questions of social bonds, cultural form, popular opinion, philosophical investigation, liturgical movement, and so forth. In a word, Augustine's demons have a religious significance, particularly in its Augustinian sense of bonds and duties between persons, and between persons and that which is divine. Demons are a highly integrated component of his broader theology, rooted in his conception of angels as the ministers of all creation under God, and informed by the doctrine of evil as privation and his understanding of the fall, his thoughts on human embodiment, desire, visions, and the limits of human knowledge, as well as his theology of religious incorporation and sacraments. As false mediators, demons are mediated by false religion, the body of the devil, which Augustine opposes with an appeal to the true mediator, Christ, and the true religion of his body, the church.

'From humble beginnings as a private investigator in the Heavenly Court, Satan worked his way up the career ladder to become God's Chief Prosecutor. It wasn't long before he branched off and started his own global enterprise as Prince of The World. 'The Gospel of The Fallen Angel' is Satan's exclusive, honest account of the life and times of his greatest adversary, Jesus of Galilee.' When Jesus walked on earth he gave strict orders not to let anyone know who he was. My minions couldn't help themselves. They kept blurting it out! I had better self control. Until now! After 2000 years, I've finally broken my silence. Not bad going for the archetypal disobedient one! Satan Geraint's The Gospel of The Fallen Angel is a first to tell the story of Jesus from Satan's perspective. He tells the story of the real Jewish Jesus, not the fictitious Christ of the Christian church. A highly original, clever, often funny, alternative view of the Gospels. It has a lot to say about traditional Christianity that is interesting and uncomfortable. Its appeal is its modern message about what it means to be human, whether one is religious or not.

In an isolated mountain town in Norway, Haakon dreams of traveling the world, pursuing adventure, seeing great places, finding love. His very first trip to London with friends from university offers much promise, yet soon after tragedy strikes. Still young, and mourning the loss of his lover, Haakon is not ready to give up on his dream, so when a rich Englishman offers him the chance to join him on a tour of the world, Haakon takes it, daring to believe that his dream is finally coming true...but at what price? The Fallen Angels of Karnataka is a novel filled with adventure, life's hard-learned lessons, loss, despicable evil, and finally, love and redemption.
