Fallen Angels by Walter Dean Myers is a young adult novel about seventeen-year-old Richie Perry, a Harlem teenager who volunteers for the Army when unable to afford college and is sent to fight in the Vietnam War. Perry and his platoon—Peewee, Lobel, Johnson, and Brunner—come face-to-face with the Vietcong, the harsh realities of war, and some dark truths about themselves. A thoughtful young man with a gift for writing and love of basketball, Perry learns to navigate among fellow soldiers under tremendous stress and struggles with his own fear as he sees things he ' ll never forget: the filling of body bags, the deaths of civilians and soldier friends, the effects of claymore mines, the fires of Napalm, and jungle diseases like Nam Rot. Available as an e-book for the first time on the 25th anniversary of its publication, Fallen Angels has been called one of the best Vietnam War books ever and one of the great coming-of-age Vietnam War stories. Filled with unforgettable characters, not least Peewee Gates of Chicago who copes with war by relying on wisecracks and dark humor, Fallen Angels “ reaches deep into the minds of soldiers ” and makes “ readers feel they are there, deep in the heart of war. ” Fallen Angels has won numerous awards and honors, including the Coretta Scott King Award, an ALA Best Book for Young Adults, a Booklist Editors Choice, and a School Library Journal Best Book. Fallen Angels was #16 on the American Library Association ' s list of the most frequently challenged books of 1990–2000 for its realistic depiction of war and those who fight in wars.

A Study Guide for Walter Dean Myers's "Fallen Angels," excerpted from Gale's acclaimed Novels for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Novels for Students for all of your research needs.

In this "raucous, moving, and necessary" (San Francisco Chronicle) story by a Pulitzer Prize finalist, the De La Cruzes, a family on the Mexican-American border, celebrate two of their most beloved relatives during a joyous and bittersweet weekend. National Bestseller and National Book Critics Circle Award finalist A New York Times Notable Book / One of the Best Books of the Year from National Public Radio, American Library Association, San Francisco Chronicle, BookPage, Newsday, BuzzFeed, Kirkus Reviews, St. Louis Post-Dispatch, Literary Hub "All we do, mija, is love. Love is the answer. Nothing stops it. Not borders. Not death." In his final days, beloved and ailing patriarch Miguel Angel de La Cruz, affectionately called Big Angel, has summoned his entire clan for one last legendary birthday party. But as the party approaches, his mother, nearly one hundred, dies, transforming the weekend into a farewell doubleheader. Among the guests is Big Angel's half brother, known as Little Angel, who must reckon with the truth that although he shares a father with his siblings, he has not, as a half gringo, shared a life. Across two bittersweet days in their San Diego neighborhood, the revelers mingle among the palm trees and cacti, celebrating the lives of Big Angel and his mother, and recounting the many inspiring tales that have passed into family lore, the acts both ordinary and heroic that brought these citizens to a fraught and sublime country and allowed them to flourish in the land they have come to call home. Teeming with brilliance and humor, authentic at every turn, *The House of Broken Angels* is Luis Alberto Urrea at his best, and cements his reputation as a storyteller of the first rank. "Epic . . . Rambunctious . . . Highly entertaining." --New York Times Book Review "A raucous, moving, and necessary book . . . Intimate and touching . . . the stuff of legend." --San Francisco Chronicle "An immensely charming and moving tale." --Boston Globe

In 2035, Dahlia Grillo, a sixteen-year-old math whiz, joins with six other American teens traveling to England to meet with groups from around the world in hopes of stopping C8, the companies that control nearly everything for their own benefit.

Robin "Birdy" Perry, a new army recruit from Harlem, isn't quite sure why he joined the army, but he's sure where he's headed: Iraq. Birdy and the others in the Civilian Affairs Battalion are supposed to help secure and stabilize the country and successfully interact with the Iraqi people. Officially, the code name for their maneuvers is Operation Iraqi Freedom. But the young men and women in the CA unit have a simpler name for it: WAR

A New York Times bestseller From the author of the international bestseller *Girl With A Pearl Earring* and *At the Edge of the Orchard*, Tracy Chevalier once again paints a distant age with a rich and provocative palette of characters. *Falling Angels* follows the fortunes of two families in the emerging years of the twentieth century in England, while the Queen's death reverberates through a changing nation. Told through a variety of shifting perspectives—wives and husbands, friends and lovers, masters and their servants, and a gravedigger's son—*Falling Angels* is graced with the luminous imagery that distinguished *Girl With a Pearl Earring*, *Falling Angels* is another dazzling tour de force from this "master of voices" (The New York Times Book Review).

One of the most fascinating and strategic topics in ancient texts is the record of fallen angels, giants, and UFO's. Fallen angels and giants are shrouded in mystery and belong to the age of pyramids and other great wonders of the world. It is an epoch that was destroyed by God's judgment, a flood, which left the world everlastingly changed, the evidence of which is found in the tales, folklore, and traditions of many cultures around the world. "There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown" (Genesis 6:4). This vivid language defines the conspiracy of evil which has beset our world. The ancient books, *Enoch* and *Jubilees*, tell us of a race of nephilim, which are hybrids, alive in history and today, fathered by fallen angels. Strange as this may seem, the Lord declares that this conspiracy of evil is to be repeated before His return. Consequently, it is important from the standpoint of both understanding history and understanding the future that we understand these events. The world is in a slumber, asleep with the dream of a better tomorrow. While dark forces of fallen angels are arrayed against us, many today write about the approaching juggernaut of the apocalypse and well they should! Few, however, know or understand that fallen angels have brought us to this apocalypse, this apex of human history. The end of the world as we know it is about to take place. A storm is gathering, so terrible as to cause men's hearts to fail them for fear; we must not approach this coming apocalypse unaware and unarmed.

Follows five generations of an African-American family, from the capture and enslavement of the first ancestor, through the Civil War and the end of segregation, to a troubled cousin's reunion with his family. An ALA Best Book for Young Adults. Reissue.

The devil goes by many names, and his tribe is legion. Throughout human history, we have been obsessed with the dark opposites of God and angels, light, and mercy. Whether it is our religious and sacred texts, folklore and myths of old, legends, fairy tales, novels, or the movies and television shows of today, the dark entities enthrall us, terrify us, and remind us of the dualities of life. But where did they originate? Are they real? Does every religion or region of the world include them? Exploring over two dozen religious traditions, myths, folkloric and spiritual traditions, the world of the supernatural, and the demons, the Devil, and fallen angels in today's pop culture, *Demons, the Devil, and Fallen Angels* is a comprehensive resource of the many faces of the devil, his minions, ominous deities, and the darker side of nature and ourselves. From ancient demon worship to modern Satanism, the bloody era of the Inquisitions and later witch burnings to the Satanic Panic of the late-twentieth century, and secret occult societies to Hitler's involvement with demonology, this book covers it all. Readers will learn about the key figures in history associated with demons and the Devil, the worshiping of the dark forces, and the lives of Aleister Crowley, John Dee, and Anton LaVey, as well as well-known figures who were alleged Satanists, some of whom may surprise you! Also featured are dozens of examples of links between demons/fallen angels and aliens, cryptids, apparitions and poltergeists, and IDEs (interdimensional entities). Were the demons of the Bible possibly ancient alien visitors? Are alien abductions and poltergeists really demons in disguise? Is Slender Man a modern day demonic entity ... or totally fake? This fascinating look at Satan, evil spirits, and their 10,000-year history has 120 photographs, drawings, and illustrations to

bring the portraits of over 200 demons and fallen angels to shivering life. Demons, the Devil, and Fallen Angels also includes a helpful bibliography and an extensive index, adding to its usefulness. It is a comprehensive, clear, and objective look at a subject that fills most people with fear and dread. Yet the presence of dark angels continues to remain a part of our human experience, our popular culture, and our spiritual understandings. Come and explore the shadowy side of existence and its integral part of our nature.

A reissue of a Pulitzer prize-winning classic, and now the major motion picture GETTYSBURG. As a result of these acclamations, this book is considered one of the greatest novels written on the Civil War.
