Now, this much beloved hymn is whimsically illustrated by a renowned children's book artist. In charming rhyme, the lives of various saints, like Joan of Arc, are acted out by a mischievous children's choir. Young readers will be delighted by the full-color drawings and by the message that all God's children are His "saints". Brief biographies of the saints appear at the end.

Musicians and congregations can join in the worship of our great God through the music of Saints of Zion. The Saints of Zion Songbook features fourteen hymns from the album arranged for piano and SATB choir as well as eleven shorter hymnal arrangements that are suitable for congregational singing or family worship.

Includes general hymns; hymns for feasts, seasons and saints' days; office hymns for the liturgical year; an enlarged eucharistic section; responsorial psalms and a new English folk mass setting.

The Catholic Church has always placed before the eyes of the faithful the example of holiness set by the saints. In the first Preface of the Mass for Holy Men and Women we read: "In their lives on earth you give us an example. In our communion with them you give us their friendship. In their prayer for the Church you give us strength and protection." Moreover, as the Second Vatican Council put it, "every act of love offered by us to those who are in heaven tends to and terminates in Christ, 'the crown of all the saints, ' and through him in God who is wonderful in his saints and is glorified in them." This book, then, should be a welcome addition to the ever increasing number of volumes that treat of the lives of the saints. With the addition of feast days proper to the United States, it is offered to the English-speaking public in the hope that it will foster greater devotion to the saintly men and women who are not only historical figures worthy of our veneration but models worthy of our imitation.

It ' s organized into two full school years, with each saint ' s story falling on or near his or her special day so that each story can be a springboard to a creative seasonal teaching unit or small festival.
