Osuna clearly was in the camp of the second group; his Third Spiritual Alphabet is not only a personal statement of belief in the prayer of recollection but also its most eloquent description and...

The Third Spiritual Alphabet Summary - eNotes.com

Francisco of Osuna, O.F.M. (1492 or 1497 c. 1540), was a Spanish Franciscan friar and author of some of the most influential works on spirituality in that nation in the 16th century. His book The Third Spiritual Alphabet influenced Saint Teresa of Jesus. It is considered a masterpiece of Franciscan mysticism.

Third Spiritual Alphabet by Francisco De Osuna

Francisco of Osuna, O.F.M., was a Spanish Franciscan friar and author of some of the most influential works on spirituality in Spain in the 16th century. His book The Third Spiritual Alphabet influenced Saint Teresa of Jesus. It is considered a masterpiece of Franciscan mysticism. His premise in the book is that friendship and communion with God are possible in this life through cleansing one's conscience, entering one's heart, resting in loving stillness, and then rising above the heart to God

The Third Spiritual Alphabet 1948 by Fray Francisco De ...

So even though Osuna was a Franciscan friar, it is very "friendly" version for Carmelites, too. The Third Alphabet of Osuna deals with "recollection" and is why it influenced the Carmelite Doctors of the Church so much. He was not their only influence in mental prayer nor were they only ones that bore spiritual fruit from his writings.

His book The Third Spiritual Alphabet influenced Saint Teresa of Jesus. It is considered a masterpiece of Franciscan mysticism.

Francisco de Osuna | Project Gutenberg Self-Publishing ...

Pope Francis issued his third encyclical, Fratelli Tutti, on the feast of St. Francis of Assisi, indicating his deep spiritual affinity with the founder of the Franciscan movement. The encyclical deepens the pope's vision of integral ecology laid out in his 2015 work, "Laudato Si', on Care for Our Common Home" now extended to the social order on the level of fraternity and social friendship.

Francis Of Osuna Third Spiritual Alphabet

For the first time, in 33 years, here is a complete analytical and comparative study of the only two English translations of this marvelous work. This effort, which lies within your grasp, is a pains-taking effort to not only compare the wording, but also the footnotes and supply variant references to this stunning work; in particular making references back to our copy of the Spanish text for clarity. More importantly, this effort is coordinated with Teresa of Avila’s works. Thus an additional 400 notes, in combination with comparatives between the variant references are supplied. This work has been translated by the Sisters of Stanbrook.

The works of Spanish nun SAINT TERESA OF AVILA (1515-1582) rank among the most extraordinary mystical writings of Roman Catholicism and among the classics of all religious traditions... and her own life story is considered one of the finest autobiographies in any language. From her carefree childhood through her life as an ascetic Carmelite nun, from her visions of Satan through her worship of God, this is her passionate yet earthy retelling of her struggles with temptation, her work founding and ruling convents, and her devotion to God. Hailed by those seeking spiritual succor as one of the most accessible guides to achieving a closer relationship to God through prayer, this extraordinary book remains a commanding entry to numinous Christianity.

This history not only serves to acquaint us with the origins and development of Christian spirituality, but, equally importantly in the author's view, projects into our contemporary world the lives and teachings of men and women who have reached a high degree of sanctity through the ages. His study is Catholic in both senses of the word. He has concentrated his attention on the history of spirituality in the Roman Catholic Church; and he has taken a comprehensive view of the full range of forms of that Catholic tradition, including -- so that we can learn from the mistakes of the past -- the heterodox tendencies and movements that have arisen from time to time.

Teresa of Avila articulated for all of us the wondrous interior landscape of prayer. Journey with her through a week of prayer and meditation. Pray the psalms and confessions Teresa prayed. Use her words for meditation, and become acquainted with the wisdom of the saints who made such an impact on Teresa's spiritual growth and practice. Each day of the week includes morning and evening prayer, and there is a topic for every day, based on themes that emerge from Teresa's life and work. "It is love alone that gives worth to all things." –Teresa of Avila

The Interior Castle, or The Mansions, was written by St. Teresa of Ávila, the Spanish Discalced Carmelite nun and famed mystic, in 1577 as a guide for spiritual development through service and prayer. Inspired by her vision of the soul as a diamond in the shape of a castle containing seven mansions, she interpreted life as the journey of faith through seven stages, ending with union with God.

A religious classic for centuries, this is the compelling autobiography of the great Spanish saint, mystic, and reformer, with an illuminating introduction by one of the world's leading experts on feminine spirituality.

Masterfully written and intensely enlightening, Franciscan Prayer could very well be considered the essential handbook for all those seeking to pray and live the Franciscan way. With exquisite execution, Franciscan theologian Ilia Delio clearly outlines what it means to pray as a Franciscan. Through her experience as a discolced Carmelite nun and then her transformation into Franciscan scholar, Sister Delio brings to light the “contemplative,” “cosmic” and “evangelizing” aspects of Franciscan prayer. Everyone, says Delio, seems to know about Francis’ life, his miracles, his devotion to evangelization and his dedication to living a simple and humble life, yet few know about his prayer life, which seemed, over the centuries, to get lost in the paper shuffle between theologians, followers and historical biographers. It is through Clare of Assisi, Delio asserts, that we have insights into the Franciscan path of prayer. “[Clare] provides the ‘road-map’ of prayer for evangelical life...she was able to do this because she lived under monastic rule while ardently desiring evangelical life.” Through Clare’s letters and actions, we find the rudiments of Franciscan prayer: “Gaze-Consider-Contemplate-Imitate.” Delio also uses the insights of Saint Bonaventure as well as Saint Francis to fully show the meaning and purpose of prayer in the Franciscan tradition.

The Cambridge Companion to Christian Mysticism is a multi-authored interdisciplinary guide to the study of Christian mysticism, with an emphasis on the 3rd through the 17th centuries. Written by leading authorities and younger scholars from a range of disciplines, the volume both provides a clear introduction to the Christian mystical life and articulates a bold new approach to the study of mysticism.

The most recent mystical theology scholarship - a discipline that has found new energy and influence. This is examined through the lens of Wittgenstein's philosophy.
