Frankie's Magic Football: Frankie's New York Adventure: Book 9

Hurray: it's a magical tale of football as only a Premiership star can tell it. But actually, this is a tale of two ball games - footie plus baseball. And you'll never guess who Frankie's team are playing! The magic football has whisked them to New York, where they meet a giant green woman: the Statue of Liberty.

They also meet an American boy whose ambition of baseball victory is about to be dashed. Can they race through New York in time to help someone's sporting dream come true?

Frankie and his soccer team travel to fantastic lands to play some of the wildest soccer matches ever!

In the debut middle grade novel from #1 New York Times bestselling author Gayle Forman comes a poignant and powerful coming-of-age story that follows a young girl and her new friend as they learn about family, friendship, allyship, and finding your way in a complicated world. It's the summer of 1987, and all ten-year-old Bug wants to do is go to the beach with her older brother and hang out with the locals on the boardwalk. But Danny wants to be with his own friends, and Bug's mom is too busy, so Bug is stuck with their neighbor Phillip's nephew, Frankie. Bug's not too excited about hanging out with a kid she's never met, but they soon find some common ground. And as the summer unfolds, they find themselves learning some important lessons about each other, and the world. Like what it means to be your true self and how to be a good ally for others. That family can be the people you're related to, but also the people you choose to have around you. And that even though life isn't always fair, we can all do our part to make it more just.

Frankie and his soccer team travel to fantastic lands to play some of the wildest soccer matches ever!

Chapter book meets graphic novel in this first book in the series everyone will be talking about. Like most kids, Frankie Pickle hates cleaning his room. But what happens when his mom says he never has to clean it again? For Frankie and his unstoppable imagination, it means he and his sidekick, Argyle, can become explorers swinging on vines, forging paths through piles of clothes, and scouting past lava pits. They can kidnap flawless surgery on a broken action figure. They can spend time in the big house. They can even become superheroes. But when junk piles grow too high, will all this imagining be enough to conquer . . . the closet of DOOM?

From acclaimed Autistic Irish comedian Aoife Dooley comes a fresh and funny debut middle-grade graphic novel about fitting in and standing out. Frankie is different from everyone in her class, and she can't figure out why. She has trouble concentrating, and her classmates tease her for not having a dad at home. To try to make sense of the world, Frankie doodles her daily adventures in a journal. One day, when Frankie sneaks into her mom's room and sees her biological father's name on her birth certificate, she decides to go on a mission to track him down. Could Frankie's father be the key to finding out why Frankie feels so adrift? A unique story told with a light touch and an abundance of warmth and wit, Frankie's World is laugh-out-loud funny and a love letter to daring to be different.

A "witty guide" from the chef-owners of Brooklyn's neighborhood restaurant that "presents pared-down Italian food full of flavor, not pretense" (Bon Appétit). From urban singles to families with kids, local residents to the Hollywood set, everyone flocks to Frankies Spuntino-a tin-ceilinged, brick-walled restaurant in Brooklyn's Carroll Gardens-for food that is "completely satisfying" (wrote Frank Bruni in The New York Times). The two Franks, both veterans of gourmet kitchens, created a menu filled with new classics: Italian American comfort food re-imagined with great ingredients and greenmarket sides. This witty cookbook, with its gilded edges and embossed cover, may look old-fashioned, but the recipes are just what we want to eat now. The entire Frankies menu is adapted here for the home cook-from small bites including Creami Mushroom and Truffle Oil Crostini, to such salads as Escarole with Sliced Onion & Walnuts, to hearty main dishes including homemade Cavatelli with Hot Sausage & Browned Butter. With shortcuts and insider tricks gleaned from years in gourmet kitchens, easy tutorials on making fresh pasta or tying braziola, and an amusing discourse on Brooklyn-style Sunday "sauce" (ragù), The Frankies Spuntino Kitchen Companion & Kitchen Manual will seduce both experienced home cooks and a younger audience that is newer to the kitchen. "The team behind the popular Brooklyn eatery divulges light Italian secrets in this beautiful tome worthy of any bookshelf." -Entertainment Weekly "When we're craving the comforts of red sauce classics, the Frankie's cookbook is full of reliable recipes guaranteed to keep us satiated." -Time Out New York "A cookbook that's as useful as it is artfully conceived." -GQ

A fast-paced, madcap adventure--with a fresh new cover treatment--from the always surprising raconteur, Avi!It's the spring of 1945 in Brooklyn, and while WWII rages in Europe, sixth grader Frankie Wattleson--inspired by the heroics of The Lone Ranger and other radio show idols--sets out to right the wrongs of the world. Frankie is so caught up in his superhero stories that he becomes convinced the tenant renting his brother's room is a mad scientist. Can Frankie and his trusty sidekick, Mario, save the world from an evil genius? Or will Frankie's mother pull the plug on their schemes before they can save the day?Told exclusively through dialogue and radio excerpts, this fast-paced story shows off Avi's versatility and incomparable storytelling skills.
