cochair of OpenAI; cofounder and CEO of Tesla and SpaceX Deep learning is a form of machine learning that enables computers to learn from experience and understand the world in terms of a hierarchy of concepts. Because the computer gathers knowledge from experience, there is no need for a human computer operator to formally specify all the knowledge that the computer needs. The hierarchy of concepts allows the computer to learn complicated concepts by building them out of simpler ones; a graph of these hierarchies would be many layers deep. This book introduces a broad range of topics in deep learning. The text offers mathematical and conceptual background, covering relevant concepts in

You won't find graphic depictions about the porn industry, the catastrophic effects it has on individuals and relationships, or how to think differently about porn. If you're reading this

book, you probably have some understanding of those things already—the last thing you need is to be subjected to that kind of detail...again. Finally Free is about hope. It's about discovering the freeing power available to those who trust in Jesus Christ, who can, will, and does set people free from the power of pornography. Dr. Heath Lambert, a leader in the biblical counseling movement, has organized this book around eight clear and practical tactics you can wield to make it easier to flee lust and temptation and shelter in the protection of God's grace. Each chapter: Clearly demonstrates how the gospel applies to the fight against sexual temptation. Lays out relevant methods for leaning on Christ's strength—both in

If you've struggled personally against the powerful draw of pornography, or if you've ever tried to help someone fighting this battle, you know how hard it is to break its bonds. But there is good news: no matter how intense or long-standing the struggle, Jesus Christ has the power to free people from the enslaving power of pornography. The Gospel has a power that works practically in the lives of those who seek to imitate Christ—and you can learn how to live into that power.
