"For learners, managers, mentors, and feedback givers."

Provides a chapter of easy to follow and actionable tips for each of the areas identified as leadership competencies including: dealing with ambiguity, conflict management, and strategic agility.

Although the older Editions of the FYI Book are now out of print. Lominger offers an updated current edition, for instance a 4th Edition was published in 2003 and reprinted in 2004, 2005 and 2006. Please look for the latest editions.

The Leadership Machine describes the four fundamentals of management and leadership development:- The competencies/skills that matter for leading in new and different situations - How skills are developed - Who is best equipped to learn these skills - What it takes to make development work.

How to develop "learning agility" or the ability to adjust, adapt, respond to, and be resourceful in the face of change.

This book is for leaders and managers looking to develop themselves and others. It is for training & development professionals, inside or working as independent consultants, who can use the book as a coaching tool, a blueprint for leader development plans, and in other ways .For leaders concerned with their development, dedicated to developing their people for more responsibilities, and committed to organizational sustainability, this book will help in those efforts.

Fix Her Up ticks all my romance boxes. Not only is it hilarious, it's sweet, endearing, heartwarming and downright sexy. It's a recipe for the perfect love story. Helena Hunting, New York Times bestselling author of Meet Cute A steamy, hilarious new romantic comedy from New York Times bestselling author Tessa Bailey, perfect for fans of Christina Lauren and Sally Thorne! Georgette Castle's family runs the best home renovation business in town, but she picked balloons instead of blueprints and they haven't taken her seriously since. Frankly, she's over it. Georgie loves planning children's birthday parties and making people laugh, just not at her own expense. She's determined to fix herself up into a Woman of the World... whatever that means. Phase one: new framework for her business (a website from this decade, perhaps?) Phase two: a gut-reno on her wardrobe (fyi, leggings are pants.) Phase three: updates to her exterior (do people still wax?) Phase four: put herself on the market (and stop crushing on Travis Ford!) Living her best life means facing the truth: Georgie hasn't been on a date since, well, ever. Nobody's asking the town clown out for a night of hot sex, that's for sure. Maybe if people think she's having a steamy love affair, they'll acknowledge she's not just the little sister who paints faces for a living. And who better to help demolish that image than the resident sports star and tabloid favorite. Travis Ford was major league baseball's hottest rookie when an injury ended his career. Now he's flipping houses to keep busy and trying to forget his glory days. But he can't even cross the street without someone recapping his greatest hits. Or making a joke about his bat. And then there's Georgie, his best friend's sister, who is not a kid anymore. When she proposes a wild scheme that they pretend to date, to shock her family and help him land a new job he agrees. What's the harm? It's not like it's real. But the girl Travis used to tease is now a funny, full-of-life woman and there's nothing fake about how much he wants her...

Aren't babies precious? So is sleep. Your baby is capable of sleeping through the night and this book will show you how. A whip smart and entertaining guide that focuses on WHY babies sleep the way they do, this book arms you with evidence-based and flexible tools that work for every unique situation so that you can teach your baby how to sleep well. This book will help you tackle the thorniest sleep snags, including: > Navigating the tricky newborn phase like a pro > Getting your child to truly sleep through the night > Weaning off the all-night buffet > Mastering the precarious tango that is healthy napping > Solving toddler and preschooler sleep struggles Sleep expert Alexis Dubief, of the wildly popular website, podcast, and group Precious Little Sleep, imparts effective, accessible, and flexible strategies based on years of research that will dramatically improve your child's sleep. You'll love the practical solutions and the way she presents them. And it works! Buy it now.
