An essential text covering the key rules of evidence in criminal matters, as well their interpretations and applications.

Comprehensive without being encyclopedic, this text includes many of the engaging features that popularized Gardner and Anderson's best-selling text CRIMINAL LAW.

Snustad's 6th edition of Principles of Genetics offers many new and advanced features including boxed sections with the latest advances in Genetics, a streamlined roster of topics, a more reader-friendly layout, and new problem-solving supplements. Furthermore, this new edition includes more problem solving within each chapter through the Test Your Problem Solving Skills feature and a Solve It icon to prompt readers to go online to WileyPlus for animated tutorials. A new one-column design better showcases
