Getting to YES Negotiating an agreement without giving in

Describes a method of negotiation that isolates problems, focuses on interests, creates new options, and uses objective criteria to help two parties reach an agreement

Getting to Yes offers a concise, step-by-step, proven strategy for coming to mutually acceptable agreements in every sort of conflict—whether it involves parents and children, neighbors, bosses and employees, customers or corporations, tenants or diplomats. Based on the work of the Harvard Negotiation Project, a group that deals continually with all levels of negotiation and conflict resolution from domestic to business to international, Getting to Yes tells you how to: * Separate the people from the problem; * Focus on interests, not positions; * Work together to create options that will satisfy both parties; and * Negotiate successfully with people who are more powerful, refuse to play by the rules, or resort to “dirty tricks.” Since its original publication in 1981, Getting to Yes has been translated into 18 languages and has sold over 1 million copies in its various editions. This completely revised edition is a universal guide to the art of negotiating personal and professional disputes. It offers a concise strategy for coming to mutually acceptable agreements in every sort of conflict.

This is the second, greatly expanded edition of one of the world's most successful books on negotiation. 'Getting to Yes' offers powerful principles to guide readers to success in the art of negotiation.

The key text on problem-solving negotiation-updated and revised Getting to Yes has helped millions of people learn a better way to negotiate. One of the primary business texts of the modern era, it is based on the work of the Harvard Negotiation Project, a group that deals with all levels of negotiation and conflict resolution. Getting to Yes offers a proven, step-by-step strategy for coming to mutually acceptable agreements in every sort of conflict. Thoroughly updated and revised, it offers readers a straight- forward, universally applicable method for negotiating personal and professional disputes without getting angry-or getting taken.

We all want to get to yes, but what happens when the other person keeps saying no? How can you negotiate successfully with a stubborn boss, an irate customer, or a deceitful coworker? In Getting Past No, William Ury of Harvard Law School's Program on Negotiation offers a proven breakthrough strategy for turning adversaries into negotiating partners. You'll learn how to: • Stay in control under pressure • Defuse anger and hostility • Find out what the other side really wants • Counter dirty tricks • Use power to bring the other side back to the table • Reach agreements that satisfies both sides' needs Getting Past No is the state-of-the-art book on negotiation for the twenty-first century. It will help you deal with tough times, tough people, and tough negotiations. You don't have to get mad or get even. Instead, you can get what you want!

This companion volume to the negotiation classic Getting to Yes explores the negotiation process in depth and presents case studies, charts, and worksheets for blueprinting and personalized negotiating strategy.

In his highly anticipated follow up to the bestselling “Getting to Yes: Negotiation Agreement Without Giving”, Harvard University’s world renowned negotiation expert William Ury provides the definitive guide to attaining success at work and at home.

William Ury, coauthor of the international bestseller Getting to Yes, returns with another groundbreaking book, this time asking: how can we expect to get to yes with others if we haven’t first gotten to yes with ourselves? Renowned negotiation expert William Ury has taught tens of thousands of people from all walks of life—managers, lawyers, factory workers, coal miners, schoolteachers, diplomats, and government officials—how to become better negotiators. Over the years, Ury has discovered that the greatest obstacle to successful agreements and satisfying relationships is not the other side, as difficult as they can be. The biggest obstacle is actually our own selves—our natural tendency to react in ways that do not serve our true interests. But this obstacle can also become our biggest opportunity, Ury argues. If we learn to understand and influence ourselves first, we lay the groundwork for understanding and influencing others. In this prequel to Getting to Yes, Ury offers a seven-step method to help you reach agreement with yourself first, dramatically improving your ability to negotiate with others. Practical and effective, Getting to Yes with Yourself helps readers reach good agreements with others, develop healthy relationships, make their businesses more productive, and live far more satisfying lives.

No is perhaps the most important and certainly the most powerful word in the language. Every day we find ourselves in situations where we need to say No—to people at work, at home, and in our communities—because No is the word we must use to protect ourselves and to stand up for everything and everyone that matters to us. But as we all know, the wrong No can also destroy what we most value by alienating and angering people. That’s why saying No the right way is crucial. The secret to saying No without destroying relationships lies in the art of the Positive No, a proven technique that anyone can learn. This indispensable book gives you a simple three-step method for saying a Positive No. It will show you how to assert and defend your key interests; how to make your No firm and strong; how to resist the other side’s aggression and manipulation; and how to do all this while still getting to Yes. In the end, the Positive No will help you get not just to any Yes but to the right Yes, the one that truly serves your interests. Based on William Ury’s celebrated Harvard University course for managers and professionals, The Power of a Positive No offers concrete advice and practical examples for saying No in virtually any situation. Whether you need to say No to your customer or your coworker, your employee or your CEO, your child or your spouse, you will find in this book the secret to saying No clearly, respectfully, and effectively. In today’s world of high stress and limitless choices, the pressure to give in and say Yes grows greater every day, producing overload and overwork, expanding e-mail and eroding ethics. Never has No been more needed. A Positive No has the power to profoundly transform our lives by enabling us to say Yes to what counts—our own needs, values, and priorities. Understood this way, No is the new Yes. And the Positive No may be the most valuable life skill you’ll ever learn!

Expanding on the principles, insights, and wisdom that made Getting to Yes a worldwide bestseller, Roger Fisher and Scott Brown offer a straightforward approach to creating relationships that can deal with difficulties as they arise. Getting Together takes you step-by-step through initiating, negotiating, and sustaining enduring relationships -- in business, in government, between friends, and in the family.
