During the nineteenth century, Sarah Josepha Hale dedicated her life to making Thanksgiving a national holiday, all while raising a family and becoming a groundbreaking writer and women's magazine editor. Sarah Hale's inspiring story, accompanied by luscious watercolor illustrations, tells the tale of one woman who wouldn't take no for an answer.

Discover one hundred ways to say thank you with this book, which explores the meaning of thankfulness. Join one boy as he thinks about the people in his life he'd like to thank, the many reasons to be grateful, and the different ways of showing affection and gratitude to the people we love. From giving a hug, to sharing toys, to helping someone out, this book suggests a number of practical and playful ways to celebrate the people we share our lives with, and show them that we care.

This sweet picture book about being thankful is a great way to celebrate Thanksgiving with the youngest readers! Thanksgiving is about pilgrims and history--and turkey, of course!--but most importantly, it's a holiday all about everything that we are thankful for. Cheerful, colorful illustrations accompany the simple text in this celebration of family, friends, and the holiday that brings them all together. A great introduction to the concept of giving thanks and appreciating every day things.

If gratitude is good, why is it so hard to do? In Grateful, Diana Butler Bass untangles our conflicting understandings of gratitude and sets the table for a renewed practice of giving thanks. We know that gratitude is good, but many of us find it hard to sustain a meaningful life of gratefulness. Four out of five Americans report feeling gratitude on a regular basis, but those private feelings seem disconnected from larger concerns of our public lives. In Grateful, cultural observer and theologian Diana Butler Bass takes on this "gratitude gap" and offers up surprising, relevant, and powerful insights to practice gratitude. Bass, author of the award-winning Grounded and ten other books on spirituality and culture, explores the transformative, subversive power of gratitude for our personal lives and in communities. Using her trademark blend of historical research, spiritual insights, and timely cultural observation, she shows how we can overcome this gap and make change in our own lives and in the world. With honest stories and heartrending examples from history and her own life, Bass reclaims gratitude as a path to greater connection with god, with others, with the world, and even with our own souls. It's time to embrace a more radical practice of gratitude—the virtue that heals us and helps us thrive.
