It covers: Part One: Conquest and Control - Causes of conquest: Why did the Normans invade and conquer England? - The Battle of Hastings: Why did William win the Battle of Hastings in 1066? - Establishing control: How did William deal with rebellions and start to take control of the country? Part Two: Taking Stock - Feudalism: How was the country organised under the Feudal system? - Domesday book: Why was the Domesday survey compiled & what can be learnt from it? - The Medieval Village: What was life like for ordinary people? Part Three: The Normans and Monasticism - The Church: To what extent did William change the English Church? - Monasticism: How did monasteries change after the Norman conquest? Norman England is written by the Helena Clarke who has taught History at Wilmslow High School for 10 years and is also team leader for GCSE History for a major awarding body.

A detailed and comprehensive guide to all sixty poems in the AQA Poetry Anthology. Each poem is carefully explained in its context and then minutely analysed. Unfamiliar words are explained, there is a comprehensive glossary of poetic terms, advice on how to answer examination questions and sixteen model answers based on specimen questions supplied by AQA.

Written by leading PE specialists, students will be guided through the AQA GCSE (9-1) PE specification topic by topic and have opportunity to improve their understanding, analysis, evaluation and application skills through exam-style questions and detailed insight to the NEA. Approved by AQA, this Student Book: - develops understanding with thorough coverage of topics and contains summaries, diagrams and key questions to direct thinking and aid revision - provides clear definitions of key terms, technical vocabulary and concepts, including those that students have struggled the most - builds sound knowledge and analysis, evaluation and application skills through detailed support and exam-style questions - stretches, challenges and encourages independent thinking and a deeper understanding through activities, stimulus material and suggestions for further reading.

Exam board: AQA Level: GCSE Subject: History First teaching: September 2016 First exams: Summer 2018 Make AQA GCSE History more accessible, enjoyable and manageable. Based on his own experience of teaching the specification, renowned author Dale Banham knows how to cover the content with the right pace and depth, while also equipping students with the knowledge and 'complex thinking' skills required for exam success. Using the latest research on memory and visible learning, this textbook will help to raise attainment for students of all abilities. - Engage students with challenging topics: the text is broken down into bullet points and boxes, while stories about interesting people start each chapter, providing a memorable 'hook' for revision - Encourage students to take responsibility for their learning: tasks are structured around five 'steps to success', teaching students how to Research, Summarise, Connect, Apply and Review the content - Make learning stick: techniques such as interleaving, retrieval practice, dual coding and spaced practice help students to remember everything and use their knowledge effectively in the exams - Build top-grade skills: the higher-order thinking skills required to construct complex arguments and reach the upper levels of the AQA mark schemes are carefully modelled, with step-by-step advice - Improve exam results: practice questions, revision tips and guidance based on the examiners' reports are embedded throughout the book, alongside purposeful homework activities for each week - Cover the content in one term: a double-page spread for each lesson and a clear pathway through each unit focuses students on what they really need to know, leaving one final term for revision The five-term plan is provided FREE for teachers in the Free schemes of work and lesson resources (available on the Dynamic Learning platform), along with editable resources that support the tasks in the textbooks and guidance on using homework effectively.

The ICT for you AQA Coursebook has a visually appealing, full colour layout, which is designed to bring the subject alive.

This glossary of computing terms is the first glossary to be written specifically for A Level Computing students, although it would also be of use to other students of computer science.

The GCSE Drama Coursebook is firmly based on practical explorations of how to make, perform and respond to drama. The resources used to stimulate drama are exciting and varied, ranging from photo-love stories and poems to fine art and contemporary plays.
