ORIGINAL BOOK DESCRIPTION: Go Pro is a book that presents the keys to becoming a Marketing or Networking professional. In the work, its author, Eric Worre, lays down a guide for anyone wanting to engage in multilevel marketing, either to strengthen their company or as a business by itself. His ideas expand the usual range of action and help to understand that there is a sure way to create a large and

successful business with the freedom of self-management for both time and decisions. The 7 steps outlined here summarize the author's observations on how to become an entrepreneur with a marketing network, being both a salesman and manager at the same time, selling your own products or those of other companies, establishing your own working hours and working with whom you decide to work, all with a significant income. In these lines, we present the best of these ideas. - ABOUT SAPIENS EDITORIAL: Books are mentors. Books can guide what we do and our lives. Many of us love books while reading them and maybe they will echo with us a few weeks after but 2 years later we cant remember if we have read it or not. And thats a shame. We remember that at that time, the book meant a lot to us. Why is it that 2 years later we have forgotten everything? Thats not good. This summary is taken from the most important themes of the original book. Most people dont like books. People just want to know what the book says they have to do. If you trust the source you dont need the arguments. So much of a book is arguing its points, but often you dont need the argument if you trust the source you can just get the point. This summary takes the effort to distill the blahs into themes for the people who are just not going to read the whole book. All this information is in the original book.

A self-made millionaire shows you how to make millions while living life on your own terms At just eighteen years old, Matt Morris founded his first marketing business. At twenty, he dropped out of college to pursue business full-time. At twenty-one, he was homeless and deeply in debt, living out of his car. It was then that he made a life-changing decision to re-invent himself and his career. By twenty-nine, Matt was a self-made millionaire. How did he do it? In *The Unemployed Millionaire*, Morris reveals how he turned his life around and shatters the myth that it takes money to make money. Thanks to the Internet explosion and the ease of global trade, it is possible for anyone to start a business and market their products worldwide to millions of customers. Here, Morris unlocks the secrets and provides you with the specific moneymaking formula he used to turn his ideas into a fortune. Equips you with a step-by-step formula for turning your great idea into a million-dollar business in as little as twelve months Proves you don't have to be smart, lucky, or rich to make millions Gives you the specific success principles all millionaires follow Author Matt Morris is an internationally recognized speaker who selectively mentors other entrepreneurs, traveling the world, working very little, and earning millions in the process With a foreword by Les Brown, motivational speaker, bestselling author, and television personality If you're serious about earning millions without working your fingers to the bone, *The Unemployed Millionaire* gives you the powerful strategies needed to turn your dreams into a reality.

* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. By reading this summary, you will discover how to become a relationship marketing professional, a demanding job, but one that can be mastered when a few simple precepts are rigorously respected. You will also discover that : relationship marketing is a source of professional and personal fulfillment; recruiting prospects is based on a simple and effective methodology; good tools and good practices that can be duplicated are sources of success; the follow-up and the accompaniment of the prospects as well as the collaborators are essential; the study and updating of knowledge prevails throughout an accomplished career. Eric Worre discovered relationship marketing at the age of 23, when he was in financial difficulties. As a real estate agent in his father's company, he saw the possibilities of the networking profession and decided to embark on the adventure. His beginnings are far from conclusive, to the point that after accusing the whole world of being responsible for his failure, he thinks about giving up. Then, he has the trigger. Observing a leading specialist in an unlikely field, he thought, "What if I too gave myself the means to be a relationship marketing specialist? After demonstrating the relevance of relationship marketing, he explains how to recruit prospects and then how to get them to perform as a distributor. *Buy now the summary of this book for the modest price of a cup of coffee!

Unravel the mystery around creating a large residual income in network marketing! Have you ever wondered if the average person can really make it big in network marketing? Have you given up on your dream lifestyle because it just seems too difficult or too far out of reach? *Beach Money* shows you how to compress a 30-year career into 3 to 5 years, design your life around your free time instead of around your work schedule, and turn your yearly income into your monthly income!

How to Keep the Dream Alive! Network marketing is one of the fastest-growing career opportunities in the United States. Millions of people just like you have abandoned dead-end jobs for the chance to achieve the dream of growing their own businesses. What many of them find, however, is that the first year in network marketing is often the most challenging—and, for some, the most discouraging. Here, Mark Yarnell and Rene Reid Yarnell, two of the industry's most respected and successful professionals, offer you strategies on how to overcome those first-year obstacles and position yourself for lifelong success. The Yarnells provide you with a wealth of savvy advice on everything you need to know to succeed in network marketing, such as proven systems for recruiting, training, growing and supporting your downline, and much more. In an easy, step-by-step approach, you will learn how to: ·Deal with rejection ·Recruit and train ·Avoid overmanaging your downline ·Remain focused ·Stay enthusiastic ·Avoid unrealistic expectations ·Conduct those in-home meetings ·Ease out of another profession You owe it to yourself to read this inspiring book! "This will be the Bible of Network Marketing." — Doug Wead, former special assistant to the president, the Bush Administration

A charming, practical, and unsentimental approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called *döstädning*, *dö* meaning "death" and *städning* meaning "cleaning." This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In *The Gentle Art of Swedish Death Cleaning*, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you'd ever use) and which you might want to keep (photographs, love letters, a few of your children's art projects). Digging into her late husband's tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.
