The broad strategy underlying successful guerrilla warfare is that of protracted harassment accomplished by extremely subtle, flexible tactics designed to wear down the enemy.

### Guerrilla warfare - Strategy and tactics | Britannica

Guerrilla Warfare in Virginia during the Civil War Contributed by Daniel E. Sutherland Although guerrilla warfare did not ravage Virginia to the extent that it did some other Confederate states during the American Civil War (1861 – 1865), nevertheless it did play a significant role in shaping the nature of the conflict.

### Guerrilla Warfare in Virginia during the Civil War

Civil War guerrillas were unofficial soldiers who wanted to fight in the Civil War but didn't want to leave their homes or families behind to march off to war. These guerrillas instead opted to join guerrilla groups who protected local towns, fought in skirmishes with nearby troops and engaged in other activities related to the war.

### Guerrilla warfare in the American Civil War | Military ...

Averill: Guerrilla warfare also broke the laws of war. Nineteenth century wars were horrific and brutal in their own right, but they were also, at least in idealized terms, gentleman's affairs. Soldiers were held to the codes of military law, which set strict standards for behavior both on and off the battlefield.

This book is a thorough study of all known guerrilla operations in Civil War Missouri in 1862, the year such warfare became the primary type of military action there and the year that the state saw almost constant fighting. The author utilizes both well-known and obscure sources (including military and government records, private accounts, county and other local histories, period and later newspapers, and secondary sources published after the war) to identify which Southern partisan leaders and groups operated in which areas of Missouri, and describe how they operated and how their kinds of warfare evolved. The actions of Southern guerrilla forces and Confederate behind-enemy-lines recruiters are presented chronologically by region so that readers may see the relationship of seemingly isolated events to other events over a period of time in a given area. The counteractions of an array of different types of Union troops fighting guerrillas in Missouri are also covered to show how differences in training, leadership, and experiences affected behaviors and actions in the field.

This book is a thorough study of all known guerrilla operations in Civil War Missouri during 1863, the middle year of the war. This work explores the tactics with which each side attempted to gain advantage, with regional differences as influenced by the personalities of local commanders. An enormous variety of sources—military and government records, private accounts, county and other local histories, period and later newspapers, and secondary sources published after the war—are used to identify which Southern partisan leaders and groups operated in which areas of Missouri, and to describe how they operated and how their kinds of warfare evolved. The actions of Southern guerrilla forces and Confederate behind-enemy-lines recruiters are presented chronologically by region so that readers may see the relationship of seemingly isolated events to other events over a period of time in a given area. Osprey's examination of guerilla tactics employed during the American Civil War (1861-1865). While the giant armies of the Union and the Confederacy were fighting over cities and strategic strongholds, a large number of warriors from both sides were fighting, smaller, more personal battles. Beginning with the violent struggle known as "Bleeding Kansas," armed bands of irregular fighters began to wage war in every corner of the United States. Many of the names of their commanders have become legendary, including William Quantrill, "Bloody Bill" Anderson, and John S. Mosby, "The Grey Ghost." To their own people they were heroes; to others they were the first of a new generation of wild west outlaw. Their tactics including robbing banks and trains, kidnapping soldiers and civilians, rustling cattle, and cutting telegraph lines. In fact, it is during the violence of the war that many of America's future outlaw legends would be born, most notably Cole Younger and Frank and Jesse James. In this book, new Osprey author Sean McLachlan explores the varied and often daring tactics employed by these famous warriors.

This book is a thorough study of all known guerrilla operations in Civil War Missouri between January and August 1864. It explores different tactics each side attempted during this time period to gain advantage over each other with regional differences as influenced by the differing personalities of local commanders. While the Civil War is famous for epic battles involving massive armies engaged in conventional warfare, *A Savage Conflict* is the first work to treat guerrilla warfare as critical to understanding the course and outcome of the Civil War. Daniel Sutherland argues that irregular warfare took a large toll on the Confederate war effort by weakening support for state and national governments and diminishing the trust citizens had in their officials to protect them.

Focusing on a little-known yet critical aspect of the American Civil War, this must-read history illustrates how guerrilla warfare shaped the course of the war and, to a surprisingly large extent, determined its outcome. • An epilogue that shares the recollections of Civil War guerrillas, showing how the memory of historical events may be shaped by the passage of time • A dozen black and white illustrations provide glimpses into history

During the Civil War, the state of Missouri witnessed the most widespread, prolonged, and destructive guerrilla fighting in American history. With its horrific combination of robbery, arson, torture, murder, and swift and bloody raids on farms and settlements, the conflict approached total war, engulfing the whole populace and challenging any notion of civility. Michael Fellman's *Inside War* captures the conflict from "inside," drawing on a wealth of first-

hand evidence, including letters, diaries, military reports, court-martial transcripts, depositions, and newspaper accounts. He gives us a clear picture of the ideological, social, and economic forces that divided the people and launched the conflict. Along with depicting how both Confederate and Union officials used the guerrilla fighters and their tactics to their own advantage, Fellman describes how ordinary civilian men and women struggled to survive amidst the random terror perpetuated by both sides; what drove the combatants themselves to commit atrocities and vicious acts of vengeance; and how the legend of Jesse James arose from this brutal episode in the American Civil War.
