The Harsh Mohan Pathology textbook has been carefully updated to the 7 th edition to include the latest knowledge in the field. It is the best book to read in Undergraduate exams and also in admission exams. I see a lot of people advising to read Robbins basic pathology in UG, but I'm not in favor of it.

within pathology Includes updated images and new exercises for topics of current clinical significance
Includes key points, nearly 600 line drawings, specimen photographs and photomicrographs, and a CD
reviewing specimens Previous edition published in 2007

Fully revised, new edition presenting students with latest information in dental pathology. Includes many new illustrations and tables and 'gist boxes' summarise key points of each topic. Fifth edition includes a free book (9789386107961) of practical exercises and sample viva voce questions.

This classic text sets a standard in this subject by outlining the scientific aspects that underlie pathological processes, relating these to specific organ systems and placing all in a context that the student of medicine or pathology can appreciate, understand and enjoy. The clearly defined and easy-to-follow structure, enhanced by numerous photographs and explanatory line diagrams, focuses on core material without neglecting novel concepts and up-to-the minute detail. A one-stop-shop in pathology, it reflects fully the integration of pathology into clinical teaching whether system or problem-based, and will take the student right through medical school and beyond to postgraduate training.

Includes lecture in the form of an educational DVD on subject Immunology. Added lot of diagrams and flow charts to make learning interesting and easier. Several new and easy to grasp MNEMONICS have been given throughout the text. Some new topics like platelets and diabetes mellitus with expanding some of the old topics. New set of conceptual questions with detailed explanations added at the end of most of the chapters to enhance the reasoning skills and facilitate learning. Conceptual and useful information has been added in the form of shaded boxes throughout the chapter to emphasize the clinical importance of the topic being read.
