Christmas Eve is a time of love, joy, and... getting it on with two hunky bear shifters. Tessa's life has turned into a country sexy-she lost her job, her roommate, and her parents have holiday plans that don't include her. At least she has her boyfriend. Until she finds him in their tent with his hands full... of another woman. One stop-off later, she's lost in the mountain wilderness-alone, afraid, and still angry as hell. Thankfully sexy bear shifter Aaron smells her terror and insists on helping her back to his camp-there's only two problems. First, according to her scent, Tessa is Aaron's mate. Second, he's not the only one who can claim her. There's Aaron's equally sexy brother, Scott, who also wants Tessa. When an outside threat almost kills Scott, Tessa is forced to face the truth-she's just as enamored with Scott as she is with Aaron. She wants them both! Tessa has never been attracted to two men at once-and when they inform her that they've both imprinted on her, this Christmas surprise has her considering arrangements she's never imagined... This standalone holiday romance has hot territorial bear shifters, a smart heroine, and plenty of steam under the stars.

The last place he expects to find the alluring stranger is at the side of his sworn enemy-her father. He should crush her father and walk away, but one sniff changes Reese's plans. Jane is pregnant with his pup and he will have them both!

In this stunning sequel to Howl's Moving Castle, Diana Wynne Jones has again created a large-scale, fast-paced fantasy in which people and things are never quite what they seem. There are good and bad djinns, a genie in a bottle, wizards, witches, cats and dogs (but are they cats and dogs?), and a mysterious floating castle filled with kidnapped princesses, as well as two puzzling prophecies. The story speeds along with tantalizing twists and turns until the prophecies are fulfilled, true identities are revealed, and all is resolved in a totally satisfying, breathtaking, surprise-filled ending. Abdullah was a young and not very prosperous carpet dealer. His father, who had been disappointed in him, had left him only enough money to open a modest booth in the Bazaar. When he was not selling carpets, Abdullah spent his time daydreaming. In his dreams he was not the son of his father, but the long-lost son of a prince. There was also a princess who had been betrothed to him at birth. He was content with his life and his daydreams until, one day, a stranger sold him a magic carpet. All fans of classic fantasy books deserve the pleasure of reading those by Diana Wynne Jones, whose acclaim included the World Fantasy Award for Life Achievement. The three books in the World of Howl are: Howl's Moving Castle Castle in the Air House of Many Ways Other beloved series from Dianna Wynne Jones include the Chronicles of Chrestomanci and the Dalemark Quartet.

But when a teen in Kansas City is murdered over a dispute in the SLAY world, news of the game reaches mainstream media, and SLAY is labeled a racist, exclusionist, violent hub for thugs and criminals. Even worse, an anonymous troll infiltrates the game, threatening to sue Kiera for "anti-white discrimination."
