From the USA Today Bestselling author of the Longing for Home series, LOVE REMAINS is a new romance novel set in the beloved world of Hope Springs. Cecily faces a dark, uncertain future. Tavish is haunted by his painful, anguished past. Fate has brought them together in a world determined to tear them apart.

Patrick O'Connor has seen far too much of the cruel and unforgiving world. Life has beaten him down relentlessly. Out of hope and out of options, he makes the terrifying and desperate decision to return home to the family he has lied to for years, the family he knows will never forgive him. Widowed and nearly unable to care for her tiny daughter under the weight of extreme poverty, Eliza Porter jumps at the opportunity to leave behind the slums of New York City for the promise of a new life and a new beginning in the frontier town of Hope Springs. Fate tosses the two of them together more and more often, while the burden of his tightly-held secrets and the ache of her abandoned dreams pull them further and further apart. Clinging to the whispered possibility of something more than the pain life has offered them thus far will require every bit of hope they can find in this peaceful but precarious valley of dreams.

The genie is out of the bottle. After decades of secrecy, Stella has finally made her resort's natural hot springs available to guests. Little does she know, the waters have magical healing powers. Not only do the springs cure physical ailments, but matters of the heart as well. When word gets out, she has a riot of opportunity seekers on her hands. Presley could use a bit of that healing magic. She returns to the inn for an unexpected visit, pregnant, planning to stay for the summer, and refusing to talk about her new husband. Did she leave Everett's concert tour because of the pregnancy? Or is there trouble in paradise already? Also on a collision course are Cecily and Lyle who've been living together for six months. Things aren't working out as they'd hoped. Their separate roads in life rarely cross. Cecily knows she may have to yield if their paths are to merge. But at what cost? Is she willing to give up the career she's worked so hard for? Ollie is new on staff, hired by Stella to manage the Wellness Center. After a messy divorce and losing her family's vineyard in a fire, she's moved from California to Hope Springs in search of a fresh start. Most newcomers to Hope Springs are running, hiding, or searching. In Ollie's case, it's all three. The magical healing waters of Hope Springs are powerful. But are they enough to set this group of sojourners on the paths that will lead to their ultimate happiness?

**MAKE YOURSELF AT HOME IN GOD'S HEART:** After 7 years of volunteering to serve the men, women, and children at a very popular outreach center in Atlanta, GA, I stumbled upon an amazing personal discovery. I came to the humble realization that homelessness is not simply a state of physical destitution. But homelessness is also a place of spiritual and emotional emptiness. It is very true that some live in a perpetual state of misfortune and need the relationship, the challenge, and the encouragement of others to "dare to hope" that their circumstances are only temporary. Many undoubtedly need financial relief to end their state of homelessness. Yet, each of us, whether well off or destitute, can attest to the fact that at one point or another we have felt abandoned and displaced. While serving as an outreach leader, I found a new family. I discovered though I had a physical dwelling, I too was in an emotional state of homelessness. While serving the homeless, I struggled to conquer my own issues with abandonment. I found myself desperately attempting to place the pieces of my own life in a recognizable order. And it was while serving that I found an extension of God's family that are far too often overlooked, disqualified, and misunderstood. Each month I would show up with a fresh sermon in hand-ready to inspire and motivate those whom "I thought" were in need of encouragement. But each time, I left with the discovery that I needed it more than any of them. I arrived ready to inspire, but left all the more inspired myself. **HOPE FOR THE SOUL** is inspired by the men, women, and children seeking love, purpose, and a reason to believe that a better experience of life exists. In this book, you too will discover that there is a secret place in God's heart to find all the rest, affirmation, and love you have been longing for. **HOPE FOR THE SOUL** is guaranteed to strengthen your ability to: \*Speak life to every dead dream\* Pursue your God-given power\* Declare freedom from past failures\* Perform at maximum capacity in His strength\* Trust God and His promises to build a better life!!

"Widowed by war, Maura O'Connor has raised her son alone under the weight of poverty in the unforgiving slums of New York City. That harsh and difficult life has taken a toll on them both. Desperate to save her son from the misery around them, she moves them both to the tiny western town of Hope Springs, where her late husband's family lives, hoping that the decade of silence between them does not mean she and Aidan will be rejected outright. Her son needs family, and she would endure anything to see him happy. Ryan Callaghan has worked the land belonging to the late Granny Claire for years, dreaming of one day claiming it as his own. Living in his brother's home affords him no freedom, no stability, no joy. The arrangement is even harder on his mother, whose health is quickly deteriorating. A risky investment in the land has finally begun to pay off, and he is at last in a position to secure a better future for them both. When use of the home is, without warning, offered to a newly arrived widow and her son, that future is entirely uncertain. Both Maura and Ryan desperately need the Claire farm, for their own futures as well as those of the loved ones who depend on them. Neither can remain in Hope Springs without the house and land, but only one can claim it in the end."--Publisher's description.

**WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN** When Forbes Branson was a young man ready for something new. A senior in high school, he was the golden boy. Heir to a fortune, he knew what his life was going to be. But he wanted adventure first. A year to do what he wanted, where he wanted before college. An unexpected betrayal would change everything. Sophie Lipton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her happiness came at a price. To stay in her new home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes. Coming home is never easy-especially after twelve years. Forbes isn't the same young man. He found his adventure-and more. Weary, he's ready to settle into a slower, calmer life. Working on his family's ranch and taking the job as Chief of Police sounds like a piece of cake after the things he had seen and done. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong, confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together.
