House of Holes: A Book of Raunch is a 2011 novel by American writer Nicholson Baker. It consists of a series of chapters that are more or less connected (some more, some less) which tell of the sexual and emotional experiences of a variety of characters in a kind of sexual fantasy land, the titular "House of Holes". [1]

~~House of Holes - Wikipedia~~
Baker's is House of Holes. Times have changed. Having explained that it was forfeited by its original owner in exchange for a bigger penis, the arm (Baker's) does some creditable penis-work of its...

In this “house of holes,” suffice it to say that weird things are the norm: Reversible crotch transfers, for example, result in gender-bendering; women have sex with headless men; men hump holes in a sex field; we hear rumors of the Cock Ness monster; a character named Rhumpa visits the “pornmonster,” who grows bigger the more that porn ...

~~HOUSE OF HOLES by Nicholson Baker | Kirkus Reviews~~
John Updike, no matter the lyricism of his explorations, was tagged a “phallocrat” and worse. But when Nicholson Baker blows the wad of his imagination in House of Holes, Katie Roiphe volunteers over lunch to “protect” him; she’d never imagined sitting in a restaurant “with someone as decent and thoughtful and gentlemanly as Nicholson Baker.”. Elaine Blairin the New York Review of Books says House of Holeslives in “a magic circle of wholesomeness.”.

~~"House of Holes": Mini-Excerpt #1 - The Awl~~
Nicholson Baker's 'House of Holes': Mini-Excerpt #2. Rhumpa was her name, and, yes, she paid a visit to the House of Holes. The people she was staying with in New Haven were wealthy and under-read. Although they were middle-aged, their minds were very young and she couldn’t take them seriously. She saw a pepper grinder in the middle of the table, and while they talked about the price of tires she unscrewed the little knob on the top, and when it came off she lifted the wooden part off the ...

~~Nicholson Baker's 'House of Holes': Mini-Excerpt #2 - The Awl~~
Nicholson Baker (born January 7, 1957) is an American novelist and essayist. His fiction generally de-emphasizes narrative in favor of careful description and characterization. His early novels such as The Mezzanine and Room Temperature were distinguished by their minute inspection of his characters' and narrators' stream of consciousness.Out of a total of ten fiction books, he also wrote ...

~~Nicholson Baker: House Of Holes~~
Nicholson Baker, South Berwick, Maine, 2008. The wit, the utopian vision, and the pornographic utility of House of Holes all arise from the same fact of its fictional universe: no one is ever really shocked. Obscene declarations of desire are met with unsurprised calm. Sex is never so far out of mind as to be startling or unwelcome.

Shandee finds a friendly arm at a granite quarry. Ned drops down a hole in a golf course. Luna meets a man made of light bulbs at a tanning parlor. So begins Nicholson Baker's fuse-blowing, sex-positive escapade, House of Holes. Baker, the bestselling author of The Mezzanine, Vox, and The Fermata, who 'writes like no one else in America' (Newsweek), returns to erotic territory with a gleefully over-the-top novel set in a pleasure resort, where normal rules don't apply. Visitors, pulled in via their drinking straws or the dryers in laundromats, can undergo crotchal transfers . . . make love to trees . . . visit the Groanrooms and the twelve-screen Porndecahedron . . . or pussy-surf the White Lake. It's very expensive, of course, but there are work-study programs. In charge of day-to-day operations is Lila, a former hospital administrator whose breast milk has unusual regenerative properties. Brimful of good-nature, wit, and surreal sexual vocabulary, House of Holes is a modern-day Hieronymous Boschian bacchanal that is sure to surprise, amuse, and arouse.

Visit the House of Holes, where the motto is PLEASURE FIRST, and discover a solution to every sexual problem, insight into every sexual intrigue, or play out your greatest sexual fantasy. Men can begin with a 'good, friendly penis scrub', take the magic sperm sniff test, or visit the Porndecahedron. Greedy women can visit the Hall of the Penises, shy women can order a partner with a 'voluntary head detachment', curious couples can investigate each other further with a 'cross crotchal interplasmic transfer'. But ladies, watch out for the Pearloiner, who might just steal from you what you cherish most …

In the New York Times bestseller House of Holes, Nicholson Baker, “one of the most beautiful, original, and ingenious prose stylists to have come along in decades” (The New York Times Magazine), returns to the terrain that made him famous with a gleefully provocative, off-the-charts erotic novel that is unlike anything you’ve read—“a filthy tour de force” (Time). Shandee finds a friendly arm at a granite quarry. Ned drops down a hole in a golf course. So begins Nicholson Baker’s fuse-blowing sexual escapade—a modern-day Hieronymus Boschian bacchanal set in a pleasure resort where normal rules don’t apply. House of Holes, one of the most talked-about books in recent memory, is a gleefully provocative novel sure to surprise, amuse, and arouse.

A National Book Critics Circle Award–winner elevates the ordinary events that occur to a man on his lunch hour into “a constant delight” of a novel (The Boston Globe). In this startling, witty, and inexhaustibly inventive novel, New York Times–bestselling author Nicholson Baker uses a one-story escalator ride as the occasion for a dazzling reappraisal of everyday objects and rituals. From the humble milk carton to the act of tying one’s shoes, The Mezzanine at once defamiliarizes the familiar world and endows it with loopy and euphoric poetry. Baker’s accounts of the ordinary become extraordinary through his sharp storytelling and his unconventional, conversational style. At first glance, The Mezzanine appears to be a book about nothing. In reality, it is a brilliant celebration of things, simultaneously demonstrating the value of reflection and the importance of everyday human experiences. “A very funny book . . . Its 135 pages probably contain more insight into life as we live it today than anything currently on the best-seller list.” —The New York Times “Captures the spirit of American corporate life and invests it with a passion and sympathy that is entirely unexpected.” —The Seattle Times “Among the year’s best.” —The Boston Globe “Baker writes with appealing charm . . . [He] clowns and shows off . . . rambles and pounces hard; he says acute things, extravagant things, terribly funny things.” —Los Angeles Times Book Review “Wonderfully readable, in fact gripping, with surprising bursts of recognition, humor and wonder.” —The Washington Post Book World

Having turned phone sex into the subject of an astonishing national bestseller in Vox, Baker now outdoes himself with an outrageously arousing, acrobatically stylish "X-rated sci-fi fantasy that leaves Vox seeming more like mere fiber-optic foreplay" (Seattle Times). "Sparkling."--San Francisco Chronicle.

While writing an introduction to a new poetry anthology, Paul Chowder struggles with the end of a relationship, his own stunted career, and the suffering of poets as varied as Tennyson and Roethke.

NATIONAL BESTSELLER Vox is a novel that remaps the territory of sex—sex solitary and telephonic, lyrical and profane, comfortable and dangerous. It is an erotic classic that places Nicholson Baker firmly in the first rank of major American writers.

A study of the decades leading up to World War II profiles the world leaders, politicians, business people, and others whose personal politics and ideologies provided an inevitable barrier to the peace process and whose actions led to the outbreak of war.

Our supreme fabulist of the ordinary now turns his attention on a 9-year-old American girl and produces a novel as enchantingly idiosyncratic as any he has written. Nory Winslow wants to be a dentist or a designer of pop-up books. She likes telling stories and inventing dolls. She has nightmares about teeth, which may explain her career choice. She is going to school in England, where she is mocked for her accent and her friendship with an unpopular girl, and she has made it through the year without crying. Nicholson Baker follows Nory as she interacts with her parents and peers, thinks about God and death-watch beetles, and dreams of cows with pointed teeth. In this precocious child he gives us a heroine as canny and as whimsical as Lewis Carroll's Alice and evokes childhood in all its luminous weirdness.

The ostensible purpose of a library is to preserve the printed word. But for fifty years our country’s libraries—including the Library of Congress—have been doing just the opposite, destroying hundreds of thousands of historic newspapers and replacing them with microfilm copies that are difficult to read, lack all the color and quality of the original paper and illustrations, and deteriorate with age. With meticulous detective work and Baker’s well-known explanatory power, Double Fold reveals a secret history of microfilm lobbyists, former CIA agents, and warehouses where priceless archives are destroyed with a machine called a guillotine. Baker argues passionately for preservation, even cashing in his own retirement account to save one important archive—all twenty tons of it. Written the brilliant narrative style that Nicholson Baker fans have come to expect, Double Fold is a persuasive and often devastating book that may turn out to be The Jungle of the American library system.
