Reichert explains how the paradigms about boys needing to be stoic and "man like" can actually cause them to shut down, leading to anger, isolation, and disrespectful or even destructive behaviors. The key to changing the culture lies in how parents, educators, and mentors help boys develop socially

Reichert offers readers step-by-step guidance in doing just this by: • Listening and observing, without judgment, so that boys know they're being heard. • Helping them develop strong connections with teachers, coaches, and other role models • Encouraging them to talk about their feelings about the opposite sex and stressing the importance of respecting women • Letting them know that they don't have to "be a man" or "suck it up," when they are experiencing physical or emotional pain.
