Once in a while, a book comes along that changes how you think, feel, and act every day. In *Eat Move Sleep*, #1 New York Times bestselling author Tom Rath delivers a book that will improve your health for years to come. While Tom's bestsellers on strengths and well-being have already inspired more than 5 million people in the last decade, *Eat Move Sleep* reveals his greatest passion and expertise. Quietly managing a serious illness for more than 20 years, Tom has assembled a wide range of information on the impact of eating, moving, and sleeping. Written in his classic conversational style, *Eat Move Sleep* features the most proven and practical ideas from his research. This remarkably quick read offers advice that is comprehensive yet simple and often counterintuitive but always credible. *Eat Move Sleep* will help you make good decisions automatic in all three of these interconnected areas. With every bite you take, you will make better choices. You will move a lot more than you do today. And you will sleep better than you have in years. More than a book, *Eat Move Sleep* is a new way to live.

Actress and top model Elsa Pataky is well known for her passion for exercise and wellbeing. A superstar in her native Spain and in the US, and now embraced wholeheartedly in her new home of Australia, Elsa frequently graces the covers of magazines around the world - for both fitness and fashion - and what journalists (and readers) most often want to know are her secrets to good health, energy and an incredibly toned and strong physique. Now for the first time, Elsa reveals her approach to building strength - of body and mind - as a strong mind, body and diet form Elsa's key building blocks to achieving ultimate health and vitality. In *STRONG* Elsa shares simple ways to overcome mind-traps and other challenges; tips on managing cravings and sore muscles; her favourite high-intensity exercise circuits that can be done in the comfort of your own home with minimal equipment; straightforward and sensible nutrition advice to support your fitness program and fuel your body; and delicious, healthy recipes the whole family will love. This is your guidebook on how to live a balanced and healthy life. So be inspired to make change today, and get strong! This is a specially formatted fixed-layout ebook that retains the look and feel of the print book.

Forget the fad diets—this program integrates mindfulness, eating with intention, and interval-based movement to help you live an inspired, healthier, and longer life. In *Think Eat Move Thrive*, Dr. James Rouse and Dr. Debra Rouse offer a simple piece of advice that goes a long way: stop looking at your habits and body as obstacles and start looking within. Eat, Move, Think is the essential guide to living a longer, more active, and more fulfilled life—full of answers to your most pressing health and wellness questions. Doctors everywhere have the same goal: healthier and happier lives for their patients. And yet, no two medical professionals give the same advice. How much coffee is too much? What’s better for your fitness: cardio or weights? What is mindfulness, and how can you practice it? Finally, there are answers to all of those questions and more. Eat, Move, Think breaks down the fundamentals of living a long and healthy life into three sections: nutrition, physical activity, and mental health. Francis addresses the questions that we all grapple with: How much meat should I eat? Is it okay to sit all day if I work out afterwards? How does sleep affect my mental health? Drawing upon the expert advice of world-renowned doctors and medical professionals, this book captures the innovative strategies of the world’s highest performers—Navy SEALs, cutting-edge researchers, professional athletes—in one handy illustrated guide to everyday healthy living. Honest, straightforward, and accessible, Eat, Move, Think will empower and educate you, showing you the simple, achievable steps you can take to transform your health and your life.

The star of HGTV’s Flip or Flop Christina Anstead partners with celebrity nutritionist Cara Clark to help women remodel their lives—in mind, body and spirit. Christina Anstead, star of HGTV’s Flip or Flop and Christina on the Coast, is known for her boundless energy, positive attitude, and radiant looks. But what was hidden from fans of her popular television shows was a very real health crisis, including a diagnosis of autoimmune disease, infertility, and the emotional and physical exhaustion of going through a divorce with two young children—all in the public eye. The stress of managing it all wreaked even more havoc on her already strained body. It wasn’t until Christina met nutritionist Cara Clark that she discovered a path that allowed her to regain her health and heal in body and mind. In *The Wellness Remodel*, Christina chronicles her health journey and shares what she’s learned about the importance of creating balance and prioritizing physical and mental self-care. Divided into three parts—Gut Rehab (food and nutrition); Building a Strong Foundation (exercise); and The Rewire (mindfulness)—the book will be an accessible guide to full-body wellness, offering simple strategies anyone can put into action for immediate results. Christina and Cara will also share their simple cooking strategies built for the real world of working parents and busy weeknights, including sixty of their favorite recipes, complete with beautiful photos and easy-to-follow instructions. Inspiring, informative, fun, and empowering, *The Wellness Remodel* will give readers everything they need to nourish the body, keep it strong, and help their spirit flourish.

Every day we are bombarded with new exercise and nutrition programs we are told guarantee weight loss and improved health and fitness. Rarely do these gimmicks work because often the latest fad diet, usually in combination with the latest fad exercise regimen, is rarely based on scientific evidence. As a result, you either don't see results, or you cannot sustain what is likely an unhealthy, boring diet and unsuitable fitness program. *Eat, Move, Sleep, Repeat* is very different. As a Healthy Lifestyle Guidebook, it provides a scientific, evidence-based rationale for selecting certain diets and forms of physical activity that will help you • achieve effective body fat and body weight loss; • develop a personalized weight loss plan; • follow a healthy balanced diet; • improve sleep quality; • avoid common illnesses; • keep senses and organs healthy; and • determine what exercise suits your lifestyle best. Meant for every fitness goal, fitness level, and occupation, *Eat, Move, Sleep, Repeat* provides a program using evidence-based guidelines on how to establish a healthy lifestyle that will promote better quality of life with reduced risk of chronic disease and extended longevity. Live long and healthy with *Eat, Move, Sleep, Repeat!*
