Every Canadian Should Read Indian Horse
Indian-Horse-Richard-Wagamese

Indian Horse is a novel by Canadian writer Richard Wagamese, published by Douglas & McIntyre in 2012. The novel centres on Saul Indian Horse, a First Nations boy from Ontario who survives the residential school system and becomes a talented ice hockey player, only for his past to catch up to him and cast him away from the sport he loves.

Indian-Horse—Wikipedia

A brilliantly written story of a Native American childhood with family which turns into a nightmare when he is 'forcibly' educated and Christianised. His struggles as a man to understand his pain and a yearning for his culture and identity are beautifully woven into his passion for the game of ice hockey.

Indian-Horse-Amazon.co.uk--Wagamese, Richard—

It was an honour to read "Indian Horse" by Richard Wagamese. As a reader who wants to encourage others to go out and get this important piece of work, I am breaking the rule about reviewers getting personal with the material.

Indian-Horse-Summary-GradeSaver

Saul Indian Horse comes from a loving Ojibway family. His grandparents are from the 'old way' but his parents' generation are Christian, living as their ancestors had, but confused about what they believe. They are, however, determined that Saul and his brother Benjamin will not be stolen away like their elder sister, never to be seen again.

Indian-Horse-Amazon.co.uk--Wagamese, Richard—

An Ojibwe from the Wabeseomong Independent Nations in northwestern Ontario, he was best known for his 2012 novel Indian Horse, which won the Burt Award for First Nations, Métis and Inuit Literature in 2013, was a competing title in the 2013 edition of Canada Reads, and was adapted into a 2017 feature length film, Indian Horse, released after his death.

Indian-Horse-Study-Guide-GradeSaver

Indian Horse unfolds against the bleak loveliness of northern Ontario, all rock, marsh, bog and cedar. Wagamese writes with a spare beauty, penetrating the heart of a remarkable Ojibway man.

Indian-Horse-Study-Guide-GradeSaver

A First Nations former hockey star looks back on his life as he undergoes treatment for alcoholism in this novel from the author of Dream Wheels. Saul Indian Horse is a child when his family retreats into the woods. Among the lakes and the cedars, they attempt to reconnect with half-forgotten traditions and hide from the authorities who have been kidnapping Ojibway youth. But when winter approaches, Saul loses everything: his brother, his parents, his beloved grandmother—and then his home itself. Alone in the world and placed in a horrific boarding school, Saul is surrounded by violence and cruelty. At the urging of a priest, he finds a tentative salvation in hockey. Rising at dawn to practice alone, Saul proves determined and undeniably gifted. His intuition and vision are unmatched. His speed is remarkable. Together they open doors for him: away from the school, into an all-Ojibway amateur circuit, and finally within grasp of a professional career. Yet as Saul's victories mount, so do the indignities and the taunts, the racism and the hatred—the harshness of a world that will never welcome him, tied inexorably to the sport he loves. Spare and compact yet undeniably rich, Indian Horse is at once a heartbreaking account of a dark chapter in our history and a moving coming-of-age story. "Shocking and alien, valuable and true... A master of empathy."—Jane Smiley, Pulitzer Prize-winning author of Golden Age "A severe yet beautiful novel... Indian Horse finds the granite solidity of Wagamese's prose polished to a lustrous sheen; brisk, brief, sharp chapters propel the reader forward."—Donna Bailey Nurse, National Post (Toronto)

Saul Indian Horse has hit bottom. His last bing almost killed him, and now he's a reluctant resident in a treatment centre for alcoholics, surrounded by people he's sure will never understand him. But Saul wants peace, and he grudgingly comes to see that he'll find it only through telling his story. With him, readers embark on a journey back through the life he's led as a northern Ojibway, with all its joys and sorrows. With compassion and insight, author Richard Wagamese traces through his fictional characters the decline of a culture and a cultural way. For Saul, taken forcibly from the land and his family when he's sent to residential school, salvation comes for a while through his incredible gifts as a hockey player. But in the harsh realities of 1960s Canada, he battles obdurate racism and the spirit-destroying effects of cultural alienation and displacement. Indian Horse unfolds against the bleak loveliness of northern Ontario, all rock, marsh, bog and cedar. Wagamese writes with a spare beauty, penetrating the heart of a remarkable Ojibway man.

"An unforgettable work of art."—The National Post
Saul Indian Horse is dying. Tucked away in a hospice high above the clash and clang of a big city, he embarks on a marvellous journey of imagination back through the life he led as a northern Ojibway, with all its sorrows and joys. With compassion and insight, author Richard Wagamese traces through his fictional characters the decline of a culture and a cultural way. For Saul, taken forcibly from the land and his family when he's sent to residential school, salvation comes for a while through his incredible gifts as a hockey player. But in the harsh realities of 1960s Canada, he battles obdurate racism and the spirit-destroying effects of cultural alienation and displacement. Indian Horse unfolds against the bleak loveliness of northern Ontario, all rock, marsh, bog and cedar. Wagamese writes with a spare beauty, penetrating the heart of a remarkable Ojibway man. Drawing on his great-grandfather's mystical gift of vision, Saul Indian Horse comes to recognize the influence of everyday magic on his own life. In this wise and moving novel, Richard Wagamese shares that gift of magic with readers as well.

"The most profound truth in the universe is this: that we are all one drum and we need each other." —Richard Wagamese, One Drum
Fans of Richard Wagamese's writing will be heartened by the news that the bestselling author left behind a manuscript he'd been working on until shortly before his death in 2017. One Drum welcomes readers to unite in ceremony to heal themselves and bring harmony to their lives and communities. In One Drum, Wagamese wrote, "I am not a shaman. Nor am I an elder, a pipe carrier, or a celebrated traditionalist. I am merely one who has trudged the same path many of this human family has—the path of the seeker, called forward by a yearning I have not always understood." One Drum draws from the foundational teachings of Ojibway tradition, the Grandfather Teachings. Focusing specifically on the lessons of humility, respect and courage, the volume contains simple ceremonies that anyone anywhere can do, alone or in a group, to foster harmony and connection. Wagamese believed that there is a shaman in each of us, and we are all teachers and in the world of the spirit there is no right way or wrong way. Writing of neglect, abuse and loss of identity, Wagamese recalled living on the street, going to jail, drinking too much, feeling rootless and afraid, and then the feeling of hope he gained from connecting with the spiritual ways of his people. He expressed the belief that ceremony has the power to unify and to heal for people of all backgrounds. "When that happens," he wrote, "we truly become one song and one drum beating together in a common purpose—and we are on the path to being healed."

One Native Life is Richard Wagamese's look back at the long road he traveled in reclaiming his identity. It's about the things he's learned as a human being, a man, and an Ojibway. Whether he's writing about playing baseball, running away with the circus, listening to the wind, or meeting Johnny Cash, these are stories told in a healing spirit. Through them, Wagamese shows how to appreciate life for the remarkable learning journey it is.

At three years old, Garnet Raven is taken from his home on an Ojibway reserve and placed in a series of foster homes. In his mid-teens, he escapes at the first available opportunity only to find himself cast adrift on the streets of the big city, trying to avoid its bleak underbelly. By age twenty, Garnet is in jail. While there, he receives an unexpected letter from his long-forgotten native family, and the sudden communication from his past spurs him to return to the reserve following his release from jail. Deciding to stay awhile, Garnet's life is changed completely when he is initiated into the ways of the Ojibway - both ancient and modern - by Keeper, a friend of his grandfather, and one of the last founts of their people's history. Garnet comes to discover his sense of place - and of self.

"Life sometimes is hard. There are challenges. There are difficulties. There is pain. As a younger man I sought to avoid them and only ever caused myself more of the same. These days I choose to face life head on—and I have become a camel. I arc across the sky of my life and the harder times are the fiction that lets the worn and tired bits drop away. It's a good way to travel; eventually I will wear away all resistance until all there is left of me is light. I can live towards that end." —Richard Wagamese, Embers
In this carefully curated selection of everyday reflections, Richard Wagamese finds lessons in both the mundane and sublime as he muses on the universe, drawing inspiration from working in the bush—sawing and cutting and stacking wood for winter as well as the smudge ceremony to bring him closer to the Creator. Embers is perhaps Richard Wagamese's most personal volume to date. Honest, evocative and articulate, he explores the various manifestations of grief, joy, recovery, beauty, gratitude, physicality and spirituality—concepts many find hard to express. But for Wagamese, spirituality is multifaceted. Within these pages, readers will find hard-won and concrete wisdom on how to feel the joy in the everyday things. Wagamese does not seek to be a teacher or guru, but these observations made along his own journey to become, as he says, "a spiritual bad-ass," make inspiring reading.

Four chronically homeless people—Amelia One Sky, Timber, Double Dick and Digger—seek refuge in a warm movie theatre when a severe Arctic Front descends on the city. During what is supposed to be a one-time event, this temporary refuge transfixes them. They fall in love with this new world, and once the weather clears, continue their trips to the cinema. On one of these outings they meet Granite, a jaded and lonely journalist who has turned his back on writing "the same story over and over again" in favour of the escapist qualities of film, and an unlikely friendship is struck. A found cigarette package (contents: some unsmoked cigarettes, three \$20 bills, and a lottery ticket) changes the fortune of this struggling set. The ragged company discovers they have won \$13.5 million, but none of them can claim the money for lack proper identification. Enlisting the help of Granite, their lives, and fortunes, become forever changed. Ragged Company is a journey into both the future and the past. Richard Wagamese deftly explores the nature of the comforts these friends find in their ideas of "home," as he reconnects them to their histories.

By the celebrated author of Canada Reads Finalist Indian Horse, a stunning new novel that has all the timeless qualities of a classic, as it tells the universal story of a father/son struggle in a fresh, utterly memorable way, set in dramatic landscape of the BC Interior. For male and female readers equally, for readers of Joseph Boyden, Cormac McCarthy, Thomas King, Russell Banks and general literary. Franklin Starlight is called to visit his father, Eldon. He's sixteen years old and has had the most fleeting of relationships with the man. The rare moments they've shared haunt and trouble Frank, but he answers the call, a son's duty to a father. He finds Eldon decimated after years of drinking, dying of liver failure in a small town flophouse. Eldon asks his son to take him into the mountains, so he may be buried in the traditional Ojibway manner. What ensues is a journey through the rugged and beautiful backcountry, and a journey into the past, as the two men push forward to Eldon's end. From a poverty-stricken childhood, to the Korean War, and later the derelict houses of mill towns, Eldon relates both the desolate moments of his life and a time of redemption and love and in doing so offers Frank a history he has never known, the father he has never had, and a connection to himself he never expected. A novel about love, friendship, courage, and the idea that the land has within it powers of healing, Medicine Walk reveals the ultimate goodness of its characters and offers a deeply moving and redemptive conclusion. Wagamese's writing soars and his insight and compassion are matched by his gift of communicating these to the reader.

A cowboy forced into early retirement bonds with a stubborn teenager in this novel from the award-winning author of Indian Horse and Medicine Walk. Canadian champion bull-rider Joe Willie Wolfchild is poised to win the most sought-after title in rodeo when a devastating accident at the National Finals leaves his body and ambitions in tatters. Unsure of what else to do, he retires to the panoramic family ranch, Wolfcreek, to mend. Claire Hartley and her fifteen-year-old son Aiden have nearly been torn apart by abusive boyfriends and an unjust world, but a friend sends them to the Wolfchild ranch. Thrown together by terrible circumstance, it appears Aiden and Joe Willie have more in common than their childhoods would suggest. After a rocky start, they strike a deal: Aiden will help Joe Willie repair his '34 Ford V8 pickup if the former champion teaches the city kid how to ride a bull. As Wagamese reveals their story, he rewrites the history of the North American cowboy. In taut, muscular prose, Wagamese explores how independence, self-determination, and a return to cultural tradition can heal body, mind, and community. "Richard Wagamese is a born storyteller, and Dream Wheels is his finest book yet. Cover to cover, a ripping read."—Louise Erdrich, New York Times – bestselling author of The Night Watchman "A worthy testament to the healing power of family and tradition."—Publishers Weekly "Ojibwa author Wagamese mixes cowboy lore and Native American mysticism in this affecting novel about the healing effects of family.... His soaring descriptions of the desert landscape, action-packed rodeo scenes, and reverence for heart and home will strike a chord with readers."—Booklist
