Most iPad users are now on iOS 9, so if you are unsure of your version, download the iOS 9 manual. These manuals are geared more towards the operating system than the actual device. If you haven't updated the operating system, find your iPad in the list and use the manual appropriate for that model.

"Technical communication is the process of making and sharing ideas and information in the workplace as well as the set of applications such as letters, emails, instructions, reports, proposals, websites, and blogs that comprise the documents you write...Specifically, technical writing involves communicating complex information to a specific audience who will use it to accomplish some goal or task in a manner that is accurate, useful, and clear. Whether you write an email to your professor or supervisor, develop a presentation or report, design a sales flyer, or create a web page, you are a technical communicator." (Chapter 1)

Think Like a UX Researcher will challenge your preconceptions about user experience (UX) research and encourage you to think beyond the obvious. You 'll discover how to plan and conduct UX research, analyze data, persuade teams to take action on the results and build a career in UX. The book will help you take a more strategic view of product design so you can focus on optimizing the user 's experience. UX Researchers, Designers, Project Managers, Scrum Masters, Business Analysts and Marketing Managers will find tools, inspiration and ideas to rejuvenate their thinking, inspire their team and improve their craft. Key Features A dive-in-anywhere book that offers practical advice and topical examples. Thought triggers, exercises and scenarios to test your knowledge of UX research. Workshop ideas to build a development team 's UX maturity. War stories from seasoned researchers to show you how UX research methods can be tailored to your own organization.

The Apple iPhone 12 Mini is the smallest version in the iPhone 12 series. The 5.4-inch OLED screen, the iPhone 12 Mini is powered by an A14 Bionic chip, with 64GB, 128GB or 256GB of internal storage options. The main camera is dual, 12MP + 12MP and the selfie camera is 12 megapixel, which is also used for face recognition. The device includes the latest operating system of iPhone - iOS 14. The iPhone 12 Mini offers 5G connectivity, water resistance, stereo speakers and all Apple services. The device also has the visible technologies in the iPhone 12, such as Dolby Vision in HDR and with Gorilla Glass protection. In this tutorial you will learn how to control and build all the essential features of the new iPhone 12 Mini, including basic and advanced tips and tricks that will help you navigate the smartphone interface and use the latest operating system, iOS 14, like a pro. . Mastering the Nikon D7100 by Darrell Young provides a wealth of experience-based information and insights for owners of the new D7100 camera. Darrell is determined to help the user navigate past the confusion that often comes with complex and powerful professional camera equipment. This book explores the features and capabilities of the camera in a way that far surpasses the user's manual. It guides readers through the camera features with step-by-step setting adjustments; color illustrations; and detailed how, when, and why explanations for each option. Every button, dial, switch, and menu configuration setting is explored in a user-friendly manner, with suggestions for setup according to various shooting styles. Darrell's friendly and informative writing style allows readers to easily follow directions, while feeling as if a friend dropped in to share his knowledge. The learning experience for new D7100 users goes beyond just the camera itself and covers basic photography technique.

Guides to the FIDIC contract traditionally have been geared towards highlighting the legal aspects of claims arising from the contract. This text focuses on the practical administration of the contract recognizing the growing tendency for projects to be administered by local employers, consultants and contractors, rather than by international organizations.

Google has unveiled its latest Pixel 6 phone series with several new and modified features. If you're one of the many that pulled the trigger on a shiny Google Pixel 6 and pixel 6 Pro5G, you made an excellent decision. The device still holds its own against many newer devices with plenty of new features. You're probably getting used to your new phone, but it takes time to truly become a master of the Pixel. It would be practically impossible to know about every single feature the device has to offer. That's why we've put together this Google Pixel 6 and Google Pixel 6 Pro tips and tricks guide to try out. Get this guide now to know how to use the features that are in the new Google Pixel.

Words: A User's Guide is an accessible and invaluable reference that is ideal for students, business people and advanced learners of English. The book is structured in groups of words that may be confused because they sound alike, look alike or seem to have similar meanings, and this approach makes it much more intuitive and easy to use than a dictionary. Contrasting over 5000 words (such as habitable and inhabitable, precipitation and rainfall, reigns and reins), Words: a User ' s Guide provides examples of usage adapted from large national databases of contemporary English, and illustrates each headword in typical contexts and phrases. This book gives you straightforward answers, and helps with pronunciation, spelling, style and levels of formality. For those working internationally it presents international standards and compares usage in Britain and the USA. Words: A User ' s Guide is an excellent resource for anyone who wants to communicate well in written and spoken English. "At last! A book about the use of words that clarifies and de-mystifies in an eminently usable way. I would recommend it to anyone who wants to write well. It is a book to keep." Sandy Gilkes, Head of the Centre for Academic Practice, University of Northampton "Rigorous, fresh, intriguing and downright useful, it deserves a place on every properly stocked reference shelf." Brian Cathcart, Professor of Journalism, Kingston University "From the pedantic to the permissive, everyone who ' s interested in the English language and the way we speak and write it will want a copy of this practical, entertaining book." Wynford Hicks (author of Quite Literally and The Basics of English Usage)
