students wrote the first generation of state studies on the Reconstruction -- volumes that generally sympathized with white southerners, interpreted radical Reconstruction as a mean-spirited usurpation of federal power, and cast the Republican Party as a coalition of carpetbaggers, freedmen, scalawags, and former Unionists. Edited by the award-winning historian John David Smith and J. Vincent Lowery, *The Dunning School* focuses on this controversial group of historians and its scholarly output. Despite their methodological limitations and racial bias, the Dunning

Green Gloryland is the most wonderful place on earth, their own family farm with a healthy cotton crop and plenty to eat. But the notorious night riders have plans to take it away, threatening to tear the beautiful freedom that the two boys are enjoying for the first time in their young lives. Coming alive in plain, vibrant language is this story of the Reconstruction, after the Civil War.

The end of the American Civil War is not the end of the conflict between Northern states and Southern states. The battlefield shooting is over, but the political arguments over civil rights go on, sometimes with new violence between whites and black citizens. It is a confusing and dark time as Americans try to put their broken nation back together. The lessons learned (and missed) in the Reconstruction Era will affect American history for another 100 years. This colorful graphic novel will excite reluctant readers, prepare students for standardized tests in
