International Educational Conference Planning Guide

Step 1: Craft a Vision of Your Conference. Every event begins with a vision, but you'll need to transform your vision into words and numbers in order to measure costs and make informed planning decisions. First, you need to start with the event planning basics like who, what, when, where and why.

Step-by-step Conference Planning Guide

Planning for an international conference should begin at least 18 months before the event. The first critical step is to make some key decisions. If this is not the first event, previous years' attendance figures can be used to estimate number of attendees, vendors, speakers, and size of venue. If it is the first event of its kind, use a similar event as a guide and adjust the estimate based on early responses.

"The Meeting Planning Process -- A Guide to Planning Successful Meetings" by Certified Meeting Professional Mary Jo Wiseman offers a common sense approach to managing the meeting planning process based on the knowledge and experience she garnered over a 20+ year career as a corporate meeting and event coordinator. The author's systematic approach to project management helped her to get and stay focused on the task at hand while handling multiple details, projects and deadlines throughout her career and she wants to share her secrets for success with others. The author firmly believes it is NOT just one person who makes a meeting or event happen, but rather a well led TEAM of dedicated, enthusiastic, talented individuals who come together to do what they do best to help organizations EXCEED PROGRAM OBJECTIVES and make them SHINE. It is the PROCESS or system used to get started that can either keep you on track or send you off the rails. This Guide offers a practical overview of the entire planning process for people just starting out in the business or meeting planning veterans alike, and offers keen insights and valuable tips to help CREATE the perfect EXPERIENCE for their audience by staying true to the basic elements of the planning process. It is intended to lead people through the proper steps and the sequence of tasks involved in planning a meeting such as: Establishing a Planning or Design Team; Developing an Overall Plan; Budgeting; Site Selection; Communications; Contract Review and more. The Guide also includes handy templates developed by the author -- a Meeting Time Line; Overall Plan; and Request for Proposal as well as descriptions and diagrams of possible room set-ups.

"TRB's National Cooperative Highway Research Program (NCHRP) Report 753: A Pre-Event Recovery Planning Guide for Transportation is designed to help transportation owners and operators in their efforts to plan for recovery prior to the occurrence of an event that impacts transportation systems. The guide includes tools and resources to assist in both pre-planning for recovery and implementing recovery after an event. NCHRP Report 753 is intended to provide a single resource for understanding the principles and processes to be used for pre-event recovery planning for transportation infrastructure. In addition to the principles and processes, the guide contains checklists, decision support tools, and resources to help support pre-event recovery planning."--Publisher description.
