The Word eBook: Wallace, Irving: Amazon.co.uk: Kindle Store

Irving Wallace cannot be faulted for having a vivid imagination. But how it would ever be possible for the Russians (or anyone else currently anti-USA) to realistically substitute the First Lady with their own 'double' does mean that the reader has to suspend belief in a big way. For holiday reading this is a good book and I would have awarded it 3.5 stars. Otherwise, take it as you find it ...

In his most powerful and provocative novel to date, master storyteller Irving Wallace turns his incomparable talents to the world of sex therapy. Erotically charged, compassionate, and suspenseful, *The Celestial Bed* explores the way people make love in postsexual-revolution America. Dr. Arnold Freeberg is a courageous, pioneering sex therapist whose dedication to his patients and the principles of his profession prompt him to step outside the law and utilize the most effective tool of all in combating sexual dysfunctions--sex surrogates. Although sex surrogates are highly trained and supervised professionals who guide, demonstrate, and teach people with low sexual self-esteem how to enjoy intimacy, according to the law in many states they are prostitutes. Driven out of Arizona, Dr. Freeberg establishes a new clinic in southern California with the help of his most experienced surrogate, beautiful young Gayle Miller, and a new male surrogate, movie-star-handsome Paul Brandon. But where Dr. Freeberg expected to be able to practice in peace, he encounters powerful adversaries--an ambitious district attorney, a power-hungry evangelist, a duplicitous newspaper reporter, and the violently jealous psychotic boyfriend of one of his most needy patients--who would tear down his life's work, humiliate his patients, and put him and his staff on trial for pandering and prostitution. In the riveting, swiftly-paced narrative style that made him one of America's most widely read authors, Irving Wallace takes the reader behind closed doors into the private treatment rooms where sex surrogates lead their patients through the therapeutic exercises designed to bring them to sexual fulfillment. Readers will find themselves drawn into a circle of extraordinary people dedicated to repairing the sexually wounded, and come to understand the sex therapist's essential piece of wisdom--good lovemaking is first loving yourself and then learning

to share that love with another.

Emily Ashcroft and her father, Sir Harrison Ashcroft, have set out to write a definitive biography of Adolph Hitler. Before they can finalize their manuscript, however, a cryptic letter from a German dentist sends Sir Harrison off to attempt the excavation of the site of the Führerbunker, where Hitler and his wife, Eva Braun, lived out the final weeks of their life before committing suicide and being cremated in a shallow pit. The thing is – maybe they didn't. Unfortunately, before the excavation can begin, Ashcroft is run down in a hit-and-run that would seem accidental – except the driver backed up and ran him over a second time. Armed only with the dentist's letter, her notes, and the determination to finish her father's book, Emily Ashcroft makes her own journey to Berlin. She is joined by a Russian museum curator, an American architect writing a book on Nazi and Third Reich architecture, and a Mossad agent, posing as a reporter. Together they uncover what may be the greatest hoax ever perpetrated – the faked death of the Father of the Third Reich, and the plan to bring the Nazi party back to power. Through harrowing adventures, steamy romance, impersonators, SS guards, and survivors they piece together the missing puzzle pieces of what really happened so long ago. The only question is – are they up to the challenge, and, as they begin to close in, can they survive it?

The spectacular bestseller from the author of VALLEY OF THE DOLLS. In a time when steak, vodka, and Benzedrine were the three main staples of a healthy diet, when high-powered executives called each other “baby” and movie stars wore wigs to bed, network tycoons had a name for the TV set: they called it “the love machine.” But to supermodel Amanda, socialite Judith and journalist Maggie, “the love machine” meant something else: Robin Stone, “a TV-network titan around whom women flutter like so many moths...The novel deals with his rise and fall as he makes the international sex scene (orgying in London, transvestiting in Hamburg), drinks unlimited quantities and checks out the latest Nielsens.”—Newsweek “I READ IT IN ONE GREEDY GULP, ENJOYING EVERY MINUTE.”—Liz Smith “[Susann’s] pulp poetry resonates to this day. WITH HER FORMULA OF SEX, DRUGS, AND SHOW BUSINESS, Susann didn’t so much capture the tenor of her times as she did predict the Zeitgeist of ours.”—Detour

The Vatican announces that the Virgin Mary will return to Lourdes this year to perform a miracle cure! Will it be a miracle? Or will it be a fraud? Precious lives, loves, and happiness are at stake: Ken Clayton: the young American who abandons medical treatment for the chance of miracle; Edith Moore: the Englishwoman whose miracle cure has made her famous against her will; Gisele Dupree, the French girl whose desperation to escape Lourdes will lead to violence; Liz Finch: the hard-bitten journalist who wants to “expose” Lourdes and its miracles... At the climax comes a surprise twist that only master storyteller Irving Wallace could pull off. First published in 1984 The Miracle has everything we expect from Wallace at his best: rich, authentic detail, fast-paced plotting, suspense, and vivid characters. Find more great novels by Irving Wallace by searching your favorite eBook store, including The Man, The Second Lady, The Prize, The Fan Club - The Two - with his daughter, Amy Wallace, and many more. Find great fiction and non-fiction by a variety of talented authors, such as

Bill Pronzini, John Lutz, Amy Wallace, David Niall Wilson, Loren D. Estleman, John Farris and many more by searching for CROSSROAD PRESS.

Presents intimate and revealing information about the sexual exploits of over two hundred famous individuals of the near and distant past.

Sorcerer's Apprentice opens with Amy Wallace's first meeting with Carlos Castaneda, the infamous anthropologist-turned-shaman, whose books described meetings with Yaqui Indian spiritual teacher don Juan. Castaneda's rise was meteoric in the late 1960s as he wrote massive bestsellers, inspired many to experiment with psychedelics, and was dubbed "the Godfather of the New Age." The possibility that Castaneda's experiences may have been fabricated did little to compromise his legend. As the daughter of best-selling novelist Irving Wallace, Amy was rarely shy around famous people. When her father insisted she meet Castaneda, she at first demurred. Little did she know that a delightful first meeting would begin a 20-year friendship, followed by her descent into the dramatic and deeply troubled affair chronicled in this book. Sorcerer's Apprentice unblinkingly reveals the inner workings of the "Cult of Carlos," run by a charismatic authoritarian in his sixties who controlled his young female followers through emotional abuse, mind games, bizarre rituals, dubious teachings, and sexual excess. Wallace's story is both specific and universal, a captivating cautionary tale about the dangers of giving up one's power to a tyrant—and about surviving assaults on body and spirit.

In the stillness of the courtroom a bookseller stands accused of selling a book. Is it a work of sensitive genius or an execrable volume of pornography? Could it have driven a respectable college boy to commit brutal rape? And who is the author of the novel at the vortex of a storm of sensation and controversy? Michael Barret has been asked by a friend to join him in a small law partnership, but has also been offered a huge salary to go into big business. He's certain of his choice, till he is given a chance to be involved with a major case involved with protecting free speech. The case is about the explicit book "The Seven Minutes", which some people consider pornography, while others, Barret included, feel is impressive literature. The main focus of the prosecution's case is a teenager who bought the book, and was soon after arrested for rape. According to the prosecution, the book insinuated the boy to do what he did, so it must be banned. The novel follows the course of the trial, as both Barret and the prosecutor search for reputable witnesses to prove their side.

The big passionate novel of a woman daring to live and love freely—no matter what the price. She was forced to choose between one man's love and her own pride as a woman. Brigham married one woman too many when he took Ann Eliza Webb as his twenty-seventh wife. He was the leader of the polygamous Mormon faith, as powerful in the Utah Territory as the President of the United States. She was a great beauty with a quiet manner—and an iron will. For four years, Eliza lived in Brigham Young's harem as his 27th wife. Then, one summer morning, she walked out, deserting her husband and suing him for divorce...

Six people all around the world are catapulted to international fame as they receive the most important telegraph of their lives, which invites them to Stockholm to receive the prize. This will result to be a turning point in their lives, in which personal affairs and political affairs and political intrigue will engulf every one of the characters.
