What happens when your best hope for the future is through the past? Voice-over artist Alice avoids telling the truth. It's not lying, exactly, and the freedom of reinvention makes those tough years in the past a little easier to bear. So when she meets writer Clayton Miller, she recognizes the suspicious signs of someone who wants to shrug off his old life. Untangling the web of secrets they've constructed creates an unlikely friendship-until Alice discovers that Clayton has betrayed her in the worst possible way. The author of fifteen international bestsellers, Erica James deftly explores infidelity, bereavement, and the bonds of family with a sparkling voice that will resonate long after the book is finished. Praise for Erica James "Intense, compelling stuff." -OK! magazine "The author writes with a sturdy, feel-good optimism." -Sunday Times "It is a captivating read: beautifully written." -Daily Telegraph "You know you have made it as a storyteller writer when readers simply cannot put your book down...Erica James has this page-turning ability in abundance...I wouldn't have thought this writer could get any better, but she has!" -Welsh Country

The official playscript of the original West End production of Harry Potter and the Cursed Child. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for Harry Potter and the Cursed Child was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background information including the Potter family tree and a timeline of events from the wizarding world prior to the beginning of Harry Potter and the Cursed Child.

"Once upon a Time" Is Timeless The year is 1880, and Bertie, having just arrived in New York with her family, is grateful to be given work as a seamstress in the home of textile tycoon J. P. Wellington. When the Wellington family fortune is threatened, Bertie's father boasts that Bertie will save the business, that she is so skillful she can "practically spin straw into gold." Amazingly, in the course of one night, Bertie creates exquisite evening gowns -- with the help of Ray Stalla, a man from her tenement who uses an old spinning wheel to create dresses that are woven with crimson thread and look as though they are spun with real gold. Indebted to Ray, Bertie asks how she can repay him. When Ray asks for her firstborn child, Bertie agrees, never dreaming that he is serious....

THE NEW CHILLING, PROPULSIVE NOVEL FROM THE AUTHOR OF THE INSTANT NEW YORK TIMES AND USA TODAY BESTSELLING BEHIND CLOSED DOORS. If you can't trust yourself, who can you trust? Cass is having a hard time since the night she saw the car in the woods. It was on the winding rural road, in the middle of a downpour, and a woman was sitting inside—the woman who was killed. She's been trying to put the crime out of her mind; what could she have done, really? It's a dangerous road to be on in the middle of a storm, and she probably would have been hurt herself if she'd stopped. Not only that, her husband would be furious if he knew she'd broken her promise not to take that shortcut home. But since then, she's been forgetting every little thing. Where she left the car; if she took her pills; even the alarm code. The only thing she can't forget is that woman, the woman she might have saved, and the terrible nagging guilt. And the silent calls she's receiving, or the feeling that someone's watching her... You won't be able to put down B. A.
