SEEK FIRST THE KINGDOM God is up to something! And his plans are far greater than we might imagine. Christianity is not merely about isolated individuals going to heaven. It's about God transforming the entire world and making things right. Sicknesses will be healed, sins will be forgiven, injustice will be eradicated, and all creation will be redeemed. But this is not merely a distant future. It's happening now through what Jesus came to establish - the kingdom of God. Allen Wakabayashi reawakens us to the world-changing reality of the kingdom of God. With clear, biblical insight, he unpacks what Jesus proclaimed about the good news of the kingdom and spells out the implications for us today. Focusing on the kingdom of God will revolutionize how we live out our faith, how we think about our world and how we explain the good news about Jesus. Ultimately, understanding ourselves as citizens of the kingdom will empower us to be God's change agents in the world. God is at work to restore everything to be the way he intended, and we can be a part of what he is doing. Get a glimpse of the kingdom coming, and experience his will being done - on earth as it is in heaven.

This book contains a wide-ranging selection of writings by perennialist author William Stoddart that expose the many false ideologies of postmodernism (forgetting) and call for a return to traditional religion, especially in its mystical dimensions (remembering).

In 1829 David Walker, a free black born in Wilmington, North Carolina, wrote one of America's most provocative political documents of the nineteenth century, Walker's Appeal to the Coloured Citizens of the World. Decrying the savage and unchristian treatment blacks suffered in the United States, Walker challenged his 'afflicted and slumbering brethern' to rise up and cast off their chains. Walker worked tirelessly to circulate his book via underground networks in the South, and he was so successful that Southern lawmakers responded with new laws cracking down on 'incendiary' anti-slavery material.

The Children of Mary Sisters published this book after reading Jesus' messages to Sr. Consolata Betrone, which pierced their hearts! Jesus gave the messages for the world, such as, "I will think of everything, you think only of loving Me." "The more that you love Me the happier you will be." "Every act of love will save a soul." They practiced what Jesus taught, then wrote the book, "I Will Think of

Everything, You Think Only of Loving Me" about the life-changing and peace-bringing messages. This biography of Sr. Consolata gives more insight about living a ceaseless act of love.

Encounter Jesus Like Never Before through Eastern Eyes Throughout these pages, Ravi Zacharias and Abdu Murray invite readers to rediscover the cultural insights we often miss when we ignore the Eastern context of the Bible. They offer a refreshing picture of Jesus, one that appeals to Eastern readers and can penetrate the hearts and imaginations of postmodern Westerners. In Seeing Jesus from the East, Ravi Zacharias and Abdu Murray show us why a broader view of Jesus is needed - one that recognizes the uniquely Eastern ways of thinking and communicating found in the pages of the Bible. Zacharias and Murray capture a revitalized gospel message, presenting it through this Eastern lens and revealing its power afresh to Western hearts and minds. Incorporating story, vivid imagery, and the concepts of honor and shame, sacrifice, and rewards, Seeing Jesus from the East calls believers and skeptics, both Eastern and Western, to a fresh encounter with the living and boundless Jesus.

"In this book, Thomas Matus tells the true story of one woman's struggle to live her extraordinary vocation to a life of total silence, solitude and hiddenness. A gifted musician and ordinary Sunday Catholic, Nazarena, nee Julia Crotta, had a vision of Jesus calling her to the desert while in college in Connecticut. After much searching and numerous attempts to have her unique vocation recognized by the church, she eventually found her "desert" in a small room at the monastery of the Camaldolese Benedictine nuns in Rome. She lived there as an anchoress for forty-five years until her death in 1990." "Radical yet traditional, exceptional yet simple, Sister Nazarena had a long and spiritually fruitful ascetic life. Nazarena, an American Anchoress uses excerpts from her own letters of spiritual counseling and material taken from interviews with those who knew her to tell the remarkable story of her life of silence and prayer."--BOOK JACKET.
