Harry's self-governing, anti-authoritarian style has driven his superior officer at the crime squad in Oslo to call him "the best investigator in the department and the worst public servant." First-class thrillers with high voltage suspense and complex plotting, *The Snowman*, *The Leopard* and *Phantom* are fascinating journeys into the world of this singular character and the dark criminal minds he pursues to the very limits of his sanity, in Oslo and beyond. The drug trade is ruled by two drug lords, one of whom—a master of manipulation named Hecate—has connections with the highest in power, and plans to use them to get his way. Hecate's plot hinges on steadily, insidiously manipulating Inspector Macbeth: the head of SWAT and a man already susceptible to
