~~Your Digital Investment Guide, Only on Kiplinger.com...~~

This monthly newsletter from Kiplinger (\$199 a year) provides advice to 14,000 subscribers looking for cash yield from their investments, often to supplement a fixed income. It covers less well-known cash yield investments such as stocks and mutual funds as alternatives to more traditional CDs and US Treasury bonds. Special issues and products

Explains how individuals, regardless of current savings and market climate, can accumulate investments of significant value, offering non-technical advice that is updated to include the latest tax changes and IRA rules. Reprint.

The editor of the influential Kiplinger's Personal Finance magazine offers his "Five Keys to Investment Success," discussing various aspects of investment including real estate, stocks, bonds, and mutual funds, and explaining investments that should be avoided.

Where To Download Kiplinger Mutual Fund Guide

Former editor of Kiplinger's Personal Finance Magazine, author Ted Miller has a unique understanding of what otherwise knowledgeable adults don't know about their money. The basics of money management--saving or investing--are presented here in a straightforward, easy-to-grasp style, and will fill in those gaps so you can make money-smart decisions for the rest of your life. In this comprehensive volume, a proven financial expert shows you how to grapple--decisively and effectively, in good times or bad--with any financial decisions you encounter.

This revised and updated edition contains all new market data and analysis about the every-changing world of mutual funds. Tyson takes the fear out of making investment decisions by offering savvy advice on choosing the mutual fund that is right for one's income, lifestyle, and financial needs. Cartoons & charts.
