intercooler and direct injection system.

---

## The 200Tdi Engine - Land Rover Expedition

The 200TDI engines are legendary, have plenty of torque and give around 30mpg. They are cheap to maintain and parts easy to source. Thanks to the extra sound deadening and plush trim these are much more refined than the Defenders with the same engine.

Owners Manuals (100% Free)

The 200Tdi was one of the first mass-produced small-capacity (i.e., not a lorry engine) direct-injection diesels, with the attendant improvements in power and efficiency that system brings. Developed under the codename Gemini, the 200Tdi was planned from the start to be used on all Land Rover's products.

Land Rover Vehicle Guides & Manuals  
| Land Rover USA

greetings. I'm here on a cross border raid from the defender side of the forums! I've just bought a discovery 200tdi engine, and was wondering if anyone knew where I could get the workshop manual for it, electronically, and for free, as I can't afford to get a hard copy until the end of the month after spending lots of the engine, and I was hoping to do the cam-belt before then.

One of common misconceptions is that the 200 and 300 series numbers relate to cylinder capacity for the 300tdi and 200tdi when infact they are both 2500cc. the 200tdi is the predecessor to the 300tdi and both are born from the older 2.5 normally aspirated which in turn was born from the older series land rover 4 cylinder engines, both diesel and petrol..... all have the same basic cast engine block which has been modified little over the years.
