'To the Last Round by Andrew Salmon is a gripping hour-by-hour reconstruction of the defence of the Imjin River in Korea by a brigade of British troops in April 1951. It's still the bloodiest battle fought by British troops since the Second World War and should rank with Rorke's Drift as an heroic last stand.

NEW PAPERBACK EDITION ‘ Salmon ’ s vivid use of recollections and dramatic quotes brings alive an unjustly forgotten conflict ’ Time Out With even World War II now just on the edges of living memory, and with British forces now engaged in a lengthy, brutal and attritional old-fashioned war in Afghanistan, historical attention is starting to turn to the Korean War of the early 1950s. And remarkably, the most notorious and celebrated battle in that conflict, from a British point of view, has never previously been written about at length. Andrew Salmon ’ s book, which has garnered excellent reviews and sold out two hardback printings already, has filled that gap. This is the story of the Battle of the Imjin River, when the British 29th Infantry Brigade, and above all the “ Glorious Glosters ” of the Gloster Regiment, fought an epic last stand against the largest communist offensive of the war. It lasted three days, of bitter hand-to-hand combat. By the end of it one battalion of the Glosters – some 750 men – had been reduced to just 50 survivors. Andrew Salmon ’ s definitive history, which gained excellent reviews in hardback and sold very steadily, is very much in the Antony Beevor mould: accessible, pacy, narrative, and painting a moving and exciting picture through the extensive use of eyewitness accounts of veterans, of whom he has tracked down and interviewed dozens. Andrew Salmon is a Seoul-based journalist who writes for The Times, The Washington Times, and Forbes magazine. He first became fascinated by the battle in 2001 when he met British veterans returning to the Imjin River to mark the 50th anniversary.

What ’ s the best way to get back at your cheating ex? Give every guy who hits on you his number. That ’ s what I did when I met Silas. Little did I know, we ’ d see each other again. One run-in leads to another. One fake date leads to a friendship. That friendship leads to feelings. But everyone knows feelings and friendship doesn't mix. We ’ re too much the same. It ’ d never work out. That changes when one of us asks for more. Everything falls apart. There ’ s no going back. Can our friendship survive ... or will love destroy us?

jetting international superstars, the spotlight of the media, and throngs of fans. But this year, the tournament has attracted something else. A killer is coming to play a deadly game of his own. For Connor Cross and John McCree, two pros who share a long friendship and a passion for golf, the April competition is a chance to catch up on old times, joke around, make some ill-advised bets, and generally calm each other's nerves before the play turns serious. But while John has always been able to get a grip on his game by tee time, Connor has never quite figured out how to throw the switch and focus. Then a killer strikes – and for the reigning bad boy of the PGA tour, everything changes in a hurry. The victim's wife begs Connor to try to find a murderer who threatens not only to kill again, but to destroy the Masters. And as Connor is drawn into the intrigue, a most remarkable phenomenon occurs. This maverick player shoots a sizzling round of golf. Suddenly, Connor is conquering a vicious slice, cleaning up his short game, and even listening to his caddie as he uncovers some jaw-dropping personal secrets of his fellow pros. But as Connor – in the company of an alluring female cop – unravels a mystery of murder and uncovers the mystery of his inner game of golf, he also faces the greatest hazard of all. For with one round left to play, and the body count rising while his scores drop, Connor Cross is the next in line to die. A gripping thriller set against the elite world of pro golf – the way it looks when the cameras aren't turned on – Final Round is the ultimate novel for anyone who has ever suspected that while golf may be the greatest game ever invented, playing it well can be murder.

Ex-pug and small-time hood, Mickey Walker, is down to nothing. Having gambled everything away and being faced with middle-age, Mickey feels as if he is left with only two options: to turn the .38 in his nightstand on himself or go back to work for Ned Kelly. Mickey chooses the latter and begins auctioning off his integrity to Ned Kelly, a low-level boss who runs a casino above the nickel and dime stores on Jamaica Avenue. The Last Round charts Mickey's descent into the multi-cultural underworld of Queens where he is forced to balance his loyalty to his brother and his desire for a normal life.

It's the end of the road for everyone. The only question remaining is: Who will live? XIII and his friends have failed to recover Maximilian's gold and are tired of hiding, running and struggling. When two books come out in the USA relating all the events of the amnesiac's life and the details of the Conspiracy of the XX, they see it as a possible chance to come out in the open and trust in their country's justice. But they still have enemies, at home and abroad, and everyone is set on a collision course...

The story of one woman and her fight to be able to box. Seeing herself simply as an athlete wanting to do something she loved, Jane Couch found herself ostracised from the male-dominated world of boxing. But Jane fought back - and ultimately ensured that future generations of women in the UK wouldn't face the same discrimination.

Local high school prodigy Rintaro Magami's daily life is pretty boring, though not for lack of things to do. He's just...done everything already. In order to kill some time, he deliberately teams up with Luna, the most good-for-nothing girl around, and enters a competition to decide the next successor of the legendary King Arthur. But there's just one problem... Luna pawned off the holy sword Excalibur!

The British BLACKHAWK DOWN: How a patrol from the Parachute Regiment fought its way to safety while six British military policemen were massacred. In 24 June 2003, six British military policemen were killed in the most horrific circumstances in Iraq. At the same time, and in the same town, a small patrol of the Parachute Regiment shot its way out of an Iraqi ambush. Mark Nicol investigates the controversial deaths of the Military Policemen, drawing on their own diaries and letters home, as well as eyewitness testimony from their Iraqi Police interpreters. At the same time, he tells the incredible story of how a hopelessly outnumbered patrol of Paras managed to escape the fury of the mob. The Paras were ready to die, fighting, in the best traditions of the maroon berets. Their lives were ultimately saved by Private Freddy Ellis, whose bravery under fire moved his commander on the ground to recommend he be decorated. Sergeant Gordon Robertson was awarded a Conspicuous Gallantry Cross for his leadership during the contact. This was the British BLACKHAWK DOWN. Mark Nicol has travelled back to Iraq to produce the first and only coherent account of the bloodiest day of the British experience in Iraq.
