DISCOVER:: How to Find Your Work-Life Balance with a Powerful Daily Routine Imagine what your life would be like if your days were filled with purpose, productivity and time to enjoy the little things. (Instead of chaos, overwhelm and exhaustion.) You can make this happen by building a daily routine that perfectly blends your personality with your career and personal obligations. Unfortunately, it isn't always easy to stick to a day-to-day ritual. You might be so busy that you can't add anything else to your crowded schedule. Or you might be following advice that doesn't match who you are. (Like forcing yourself to wake up at 5 a.m. when you work best late a night.) So what's the secret to creating a daily routine that sticks? The answer: Build one that matches your natural energy levels and gives you the flexibility to meet all of your day-to-day obligations. LEARN:: How to Find (and Focus on) the 80/20 of Your Daily Activities The trick to finding that work-life balance is to be intentional with how you spend your time. You can do this by applying the 80/20 rule, which states that you achieve 80% of your results from 20% of your effort. This principle applies to all areas of life. Right now, only a handful of the activities you do each day will have the biggest big impact on your life -- whether you're at work, at home or enjoying a hobby. All you have to do identify these activities and focus on them instead of worrying about time-wasting activities. The great thing about this principle is that, once you're mindful of it, you learn to focus on the 20% that yields the best results. In the book, "Level Up Your Day," we show you how to identify the 80/20 activities in the six areas of your routine and explain how to get the most from each experience. DOWNLOAD:: Level Up Your Day: How to Maximize the 6 Essential Areas of Your Daily Routine "Level Up Your Day" provides an action plan to maximize the SIX areas of your life. We will cover: ** 8 Reasons to Build a Daily Routine ** Area #1: Energy (sleep and renewal activities) ** Area #2: Eating (general nutrition and meal planning) ** Area #3: Exercise (regular exercise and constant movement) ** Area #4: Routine activities (streamlining repetitive tasks and household chores) ** Area #5: Working (at a job or in your own business) ** Area #6: Fun (hobbies, relaxation or a creative outlet) ** 4 Ways to Maximize Your Daily Ritual ** Four Case Studies that Show How Regular Folks Achieve Day-to-Day Success You can manage your day-to-day activities. In 5 years, Steve Kamb has transformed himself from wanna-be daydreamer into a real-life superhero and actually turned his life into a gigantic video game: flying stunt planes in New Zealand, gambling in a tuxedo at the Casino de Monte-Carlo, and even finding Nemo on the Great Barrier Reef. To help him accomplish all of these goals, he built a system that allowed him to complete quests, take on boss battles, earn experience points, and literally level up his life. If you have always dreamed of adventure and growth but can't seem to leave your hobbit-hole, Level Up Your Life is for you. Kamb will teach you exactly how to use your favorite video games, books, and movies as inspiration for adventure rather than an escape from the grind of everyday life. Hundreds of thousands of everyday Joes and Jills have joined Steve's Rebellion through his popular website, NerdFitness.com, and leveled up their lives—losing weight, getting stronger, and living better. In Level Up Your Life, you'll meet more than a dozen of these members of The Rebellion: men and women, young and old, single and married, from all walks of life who have created superhero versions of themselves to live adventurously and happily. Within this guide, you'll follow in their footsteps and learn exactly how to:

This is a short description by the author, Michael Assibey-Bonsu, on how living the 365 principles for 365 days, found in this book, propelled him profoundly forward in life. The principles outlined in this book have completely shifted the way I see and view life on a day-to-day basis. Take, for example, the three deepest internalized principles of self-awareness, complete expression, and three for eight and ten for thirty. At the beginning of 2017, when I began to internally understand and practice these, they allowed me to uncover and harness my passion, which had always been loosely tied to business and people. From becoming self-aware and understanding my passions, I began to completely express myself as who I am, nothing more and nothing less, which uncovered access to numerous untapped gifts and strengths I had no idea existed within me. This is how my startup companies of Nector and Digital Proof came into being and also how my latest project, Social Proof, is unfolding. These have all been created as a result of me following my passions, from self-awareness to completely expressing myself, together with living the 365 principles expressed in this book. From that point forward, the world and my purpose therein became clear, and the companies and teams I was able to build evolved effortlessly, as if an unseen yet guiding hand was directing me. I realized how everything had converged and, as a result, was able to continue adding more ideas and further innovation, which led to me understanding that I had tapped into my purpose, creating a bright and futuristic feeling. Thereafter, I followed the principle of three for eight and ten for thirty, which is the view that the future is bright and my purpose is even brighter. So the understanding that it will take a while to fully come to fruition leads to the realization and acceptance of the number of years I will have to keep moving toward my goals so as to reach who I was created to be. With these principles, the way is now clear, and I wake every day with a sense of fulfillment, regardless of the understanding of how long it may take. I now know what the end feels and looks like, which ultimately balances my passion and my purpose. This is such a powerful state of mind, and the greatest gift of wisdom that has been given to me by God the creator thus far. By positioning myself for greatness and following these 365 drops of wisdom, I wake up every day satisfied, before I've even reached my best self. These principles are not mine alone, but they are ours to share with all. I truly hope that my journey in following these 365 truths is emulated by many others and that they also reap the benefits and future they richly deserve. The present is bright, the past is forgotten, and the future is clear.
