A fabulous new adventure. London under threat, and the scent of magic in the air . . . it must be a new Rivers of London mystery . . . Martin Chorley, aka the Faceless Man, wanted for multiple counts of murder, fraud and crimes against humanity, has been unmasked and is on the run. Peter Grant, Detective Constable and apprentice wizard, now plays a key role in an unprecedented joint operation to bring Chorley to justice. But even as the unwieldy might of the Metropolitan Police bears down on its foe, Peter uncovers clues that Chorley, far from being finished, is executing the final stages of a long term plan. A plan that has its roots in London's two thousand bloody years of history, and could literally bring the city to its knees. To save his beloved city Peter's going to need help from his former best friend and colleague - Lesley May - who brutally betrayed him and everything he thought she believed in. And, far worse, he might even have to come to terms with the malevolent supernatural killer and agent of chaos known as Mr Punch . . .

In August 1912, three friends set out on an adventure. Two of them come home. Tom, Jimmy and Itzhak have grown up together in the crowded slums of Walworth. They are used to narrow streets, the bustle of East Lane market, extended families weaving in and out of each other's lives. All three boys are expected to follow their father's trades and stay close to home. But Tom has wider dreams. So when he hears of a scouting trip, sailing from Waterloo to Sheppey and the mouth of the Thames - he is determined to go. And Itzhak and Jimmy go with him. Inspired by real events, this is the story of three friends, and a tragedy that will change them for ever. It is also a song of south London, of working class families with hidden histories, of a bright and complex world long neglected. London Lies Beneath is a powerful and compelling novel, rich with life and full of wisdom.

Irreverent, dark, laugh out loud, London Lies is a roller coaster of a book with as many faces as the City it describes. But when all is said and done, every one of the authors is a liar... From the mean streets of Hackney to sleepy South London suburbs, from boho Bloomsbury to City wine bars, London Lies is a tour of the capital as you've never seen it before. What happens when a girl on her way to work is propositioned by a frog? When a man breaks into London Zoo to fight a hippo?

Aleister Crowley's The Book of Lies is an important and complex work of occultism. Deciphering its many layers of hidden meaning requires a little patience and more than a beginner's knowledge of Thelema. For those interested in passing beyond the initiate stage, the reward offered by a deeper understanding of this challenging text is well worth the effort. This new 2018 edition of The Book of Lies from Kismet Publishing restores all of Crowley's original text, including the important keys, sigils and diagrams often omitted from reprints.

In August 1912, three friends set out on an adventure. Two of them come home. Tom, Jimmy and Itzhak have grown up together in the crowded slums of Walworth. They are used to narrow streets, the bustle of East Lane market, extended families weaving in and out of each other's lives. All three boys are expected to follow their father's trades and stay close to home. But Tom has wider dreams. So when he hears of a scouting trip, sailing from Waterloo to Sheppey and the mouth of the Thames - he is determined to go. And Itzhak and Jimmy go with him. Inspired by real events, this is the story of three friends, and a tragedy that will change them for ever. It is also a song of south London, of working class families with hidden histories, of a bright and complex world long neglected. London Lies Beneath is a powerful and compelling novel, rich with life and full of wisdom.

Many children learn from a young age to tell the truth. They also learn that some lies are necessary in order to survive in a world that paradoxically values truth-telling, but practises deception. This book examines this paradox by considering how deception is often a necessary means of survival for individuals, families, governments, and animals.

A cultural, but complex game of cat and mouse, will take you to higher heights and deeper depths of love. Can beautiful souls find true love, and success in a world that can be so cold and heartless? What will they do for the sake of love, and what will they lose? Will it be love and truth, or will it be lust and lies?

Step behind the velvet ropes of Fashion Week and enter an exclusive world of opulent parties, hot guys, designer style...and new lies. In Hollywood, there's no such thing as bad press, especially when you're Sophia and Ava London. Despite their very public scandal, the London sisters are hotter than ever. Sophia's finally in the perfect relationship with the perfect guy...even if can't she get the memory of Giovanni out of her head. And Ava's taking a break from dating to focus on her career—while a new love interest is trying to disrupt her carefully laid plans. Best of all, Sophia and Ava have just been given a chance to create their own fashion line for New York Fashion Week. It's a once in a lifetime opportunity... but only if their ruthless rivals don't destroy them first. The same unseen enemies who tried to ruin them back in L.A. are in New York to finish the job. And a new competitor is hiding in the shadows of the runway, waiting for a chance to steal everything Sophia and Ava have worked so hard for. In the cutthroat world of high fashion, it's impossible to know who your real friends are. At least Sophia and Ava can count on each other—but will it be enough to keep them from losing it all? From internet sensations Elle and Blair Fowler comes Where Beauty Lies, the dazzling sequel to Beneath the Glitter
