Some kinds of adventure are always worth the risk... 'What could possibly drive a latte-loving city girl to throw out all her new shoes and move into the passenger seat of a beat-up Mazda? What follows is a love story like no other, set against the backdrop of the uncompromising Australian landscape. From supping with bikies in the desert to filing fashion columns from skimpy-clad pubs in the goldfields, *Love and Other U-Turns* is an exploration of the balance between passion and security, love and freedom, and what it really takes to live your dreams. The second volume in the U-Turn collection is filled with true stories of people from all walks of life who have made U-turns in their lives. These stories show how faith in God can inspire, heal and give hope.

In this impressively researched and incisive book, Bruce Grierson draws on over three hundred stories of so-called "U-turners," who have risked their livelihoods to answer a sudden wake-up call. We meet people who change political parties and careers, doctors who quit to become poets, men who become women, people who suddenly become revolutionaries for a cause they didn't care about the day before. In chapters that address

everything from the neuroscience behind epiphanies to the possibility of "forcing" a U-turn, Grierson brilliantly describes and elucidates this powerful, mysterious phenomenon, and in doing so illuminates all of our continual struggles with life choices and identity.

Manav Modi and Deepak Mehra are poles apart – one down to earth, other flamboyant; one introvert, other overtly loud; one aspiring to be rich, the other born with a silver spoon. Except their feelings for Urvashi, they have nothing in common. Yet, they are 'friends'. They part ways, only to come together in a web of destiny that puts them against each other, testing their friendship, love, patience, and even their choice of a profession! flamboyant MBAs,” he had said. And my race with an MBA inspired me to be the best and greatest chartered accountant. Ever. The 3 U-Turns of My Life?

On our journey to our God-ordained destiny, we often get tempted to drift away from our designated paths and then take highways and byways that we were not supposed to take. We then end up lost, hurt, disappointed, moving around in circles and getting further away from our destiny. When you feel lost and far away from your destiny or Creator, check your ways and the paths you have followed. No matter how far you have travelled, make a U-turn, your Creator is waiting expectantly with open arms to welcome you back. He will never question where you come from. He will

never judge what you have done. Instead, He will offer you a resting place for your troubled and broken soul. All that He wants is for you to say "God, here are my broken pieces. Please help me to put them together again, for You are the One Who created me and therefore know which piece belongs where, and You also know where other pieces have fallen." No matter where you are No matter what happened to you No matter when it happened No matter how far you have travelled, "Come and let us return to the Lord, for He has torn (that which is evil in and around us) so that He may heal us: He has stricken (the devil that leads us astray) so that He may bind us up."
