Developed to meet the demand for a low-cost, high-quality history book, this economically priced version of MAKING AMERICA, Seventh Edition offers readers the complete narrative while limiting the number of features, photos, and maps. All volumes feature a two-color paperback format that appeals to those seeking a comprehensive, trade-sized history text. Shaped with a clear political chronology, MAKING AMERICA reflects the variety of individual experiences and cultures that comprise American society. For instructors whose classrooms mirror the diversity of today's college students, the clear narrative, together with an integrated program of learning and teaching aids, makes the historical content vivid and comprehensible to students at all levels of preparedness. MAKING AMERICA is available in the following options: CENGAGE ADVANTAGE BOOKS: MAKING AMERICA, Seventh Edition (Chapters 1-29); Volume 1: To 1877 (Chapters 1-15); Volume 2: Since 1865 (Chapters 15-29). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Online Library Making America Vol I A History Of The United States

MAKING AMERICA: A HISTORY OF THE UNITED STATES, BRIEF SIXTH EDITION, presents history as a dynamic process shaped by human expectations, difficult choices, and often the surprising consequences. With this focus on history as a process, MAKING AMERICA encourages readers to think historically and to develop into citizens who value the past. The clear chronology, straightforward narrative, and strong thematic structure emphasize communication over intimidation and appeal to readers of varied learning levels. The Brief Sixth Edition retains a hallmark feature of the MAKING AMERICA program: pedagogical tools that allow readers to master complex material and enable them to develop analytical skills. Every chapter has chapter outlines, chronologies, focus questions, and on-page glossaries (defining both key terms and general vocabulary) to provide guidance throughout the text; the open, inviting design allows readers to access and use pedagogy to improve learning. A wealth of images throughout provides a visual connection to the past, with captions that help readers analyze the subject of the painting, photograph, or artifact from an historical point of view. Investigating America gets to the heart of learning history: reading and analyzing primary sources. A new feature, In The Wider World introduces a global perspective for each chapter. In addition, a new map program provides clear, visually engaging maps with globe insets to put the map in a global context. Available in the following split options: MAKING AMERICA, Brief Sixth Edition Complete, Volume 1: To 1877, and Volume 2: Since 1865. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Shaped with a clear political chronology, MAKING AMERICA reflects the variety of individual experiences and cultures that comprise American society. The book's clear and helpful presentation speaks directly to students, sparking their curiosity and inviting them to "do history" as well as read about it. For instructors whose classrooms mirror the diversity of today's college students, the strongly chronological narrative, together with visuals and an integrated program of learning and teaching aids, makes the historical content vivid and comprehensible to students at all levels of preparedness. Available in the following split options: MAKING AMERICA, Seventh Edition (Chapters 1-29), ISBN: 978-1-285-19479-0; Volume I: To 1877 (Chapters 1-15), ISBN: 978-1-285-19480-6; Volume II: Since 1865 (Chapters 15-29), ISBN: 978-1-285-19481-3. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
