In other words, I wanted to find out, as I looked back at a long and complicated life, with many twists and turns, how well I've done at measuring up to the values I myself have set." —Sidney Poitier In this luminous memoir, a true American icon looks back on his celebrated life and career. His body of work is arguably the most morally significant in cinematic history, and the power and influence of that work are indicative of the character of the man behind the many storied roles. Sidney Poitier here explores these elements of character and personal values to take his own measure—as a man, as a husband and a father, and as an actor. Poitier credits his parents and his childhood on tiny Cat Island in the Bahamas for equipping him with the unflinching sense of right and wrong and of self-worth that he has never surrendered and that have dramatically shaped his

world. "In the kind of place where I grew up," recalls Poitier, "what's coming at you is the sound of the sea and the smell of the wind and mamma's voice and the voice of your dad and the craziness of your brothers and sisters...and that's it."

Without television, radio, and material distractions to obscure what matters most, he could enjoy the simple things, endure the long commitments, and find true meaning in his life. Poitier was uncompromising as he pursued a personal and public life that would honor his upbringing and the invaluable legacy of his parents. Just a few years after his introduction to indoor plumbing and the automobile, Poitier broke racial barrier after racial barrier to launch a pioneering acting career. Committed to the notion that what one does for a living articulates to who one is, Poitier played only forceful and affecting characters who said

something positive, useful, and lasting about the human condition. Here is Poitier's own introspective look at what has informed his performances and his life. Poitier explores the nature of sacrifice and commitment, pride and humility, rage and forgiveness, and paying the price for artistic integrity. What emerges is a picture of a man in the face of limits—his own and the world's. A triumph of the spirit, *The Measure of a Man* captures the essential Poitier.

microwave? Chances are you'd feed your honored guest a delicious meal prepared with love and care. But the next time you have dinner, what will you eat? With so much processed food in the marketplace, obesity in adults and children dramatically on the rise, and digestive problems increasingly more common, it's clear that we're facing a serious food crisis in this country. The answer, however, isn't just to go on a diet. Reducing the intake of refined and processed foods and increasing whole foods certainly can improve one's health. But we need more. We need to feed ourselves with a sense of purpose, self-respect, love, and passion for our lives. We need to nourish our spirits. Nourishment isn't a fad diet . . . it's a lifelong journey, and Hal é Sofia Schatz is the ideal guide. Gentle, wise, and humorous, she shows us the way to the heart of nourishment--our own inner wisdom that knows exactly how

He was predestined for literary greatness. If only his father hadn't used up all the words. As the son of the Pulitzer Prize – winning poet Richard Eberhart, Dikkon Eberhart grew up surrounded by literary giants. Dinner guests included, among others, Robert Frost, Dylan Thomas, Allen Ginsberg, W. H. Auden, and T. S. Eliot, all of whom flocked to the Eberhart house to discuss, debate, and dissect the poetry of the day. To the world, they were literary icons. To Dikkon, they were friends who read him bedtime stories, gave him advice, and, on one particularly memorable occasion, helped him with his English homework. Anxious to escape his famous father's shadow, Dikkon struggled
