mejorar su vida. Drugs take you from the cellar to the roof instantaneously ☐ with a sober mind one must climb.

Alejandro Jodorowsky, entre otras muchas cosas, recogió en sus libros *La danza de la realidad* (Siruela, 2001) y *Psicomagia* (Siruela, 2004) la base teórica de esta técnica sanadora creada y desarrollada por él. Su parte práctica la encontramos por primera vez reunida en *Manual de Psicomagia*, que, con sus más de 300 consejos, pretende ayudar a todas aquellas personas que ante diferentes problemas psicológicos, sexuales, emocionales o materiales desean sanar, liberar o mejorar su vida. A lo largo del libro, estos consejos prácticos nos enseñan a desprendernos de ideas nocivas o de la influencia negativa que el pasado familiar puede ejercer sobre nosotros; a mejorar aspectos de nuestra vida laboral o económica, de la salud, de la vida en pareja o en soledad; a enfrentarnos al sentimiento de desamparo, de odio, de celos, de inseguridad, de fracaso, de pesimismo, de inferioridad, de abuso sexual, de cobardía, de no haber sido querido, etcétera. Finalmente, varios actos de psicomagia para consultantes sanos, y otros tantos dirigidos a la sociedad, anteceden a más de cien consultas individuales que atendió el autor de quienes le pedían información a través del Tarot.

A workbook for using symbolic acts to heal the unconscious mind ☐ Provides several hundred successful psychomagic solutions for a wide range of specific psychological, sexual, emotional, and physical problems, from stuttering, eczema, and fears to repressed rage and hereditary illnesses ☐ Details how practitioners can develop unique psychomagic solutions for their patients ☐ Explains how psychomagic bypasses the rational mind to work directly with the unconscious for quicker and more enduring change Traditional psychotherapy seeks to unburden the unconscious mind purely through talk and discussion. Psychomagic recognizes that it is difficult to reach the unconscious with rational thought. We should instead speak directly to the unconscious in its own language, that of dreams, poetry, and symbolic acts. By interacting on this deeper level, we can initiate quicker and more enduring change to resolve repressed childhood trauma, express buried emotions, and overcome deep-seated intimacy issues. Through the lens of psychomagic, illness can be seen as the physical dream of the

unconscious, revealing unresolved issues, some passed from generation to generation. In this workbook of psychomagic spells, legendary filmmaker and creator of psychomagic Alejandro Jodorowsky provides several hundred successful psychomagic solutions for a wide range of psychological, sexual, emotional, and physical problems from stuttering, eczema, and fear of failure to repressed rage, hereditary illnesses, and domineering parents. Each solution takes the same elements associated with a negative emotional charge and recasts them into a series of theatrical symbolic actions that enable one to pay the psychological debts hindering their lives. Explaining the shamanic techniques at the foundation of psychomagic, the author offers methods for aspiring practitioners to develop solutions for their own unique patients. Jodorowsky explains how the surreal acts of psychomagic are intended to break apart the dysfunctional persona with whom the patient identifies in order to connect with a deeper, more authentic self. As he says in the book, "Health only finds itself in the authentic. There is no beauty without authenticity."

La autora se arriesga a conducirnos hacia un viaje en el que la psicología y la psicogenealogía se entretajan para interpretar el cuerpo y las manifestaciones inscritas en él, superando miradas y enfoques, que abordan estos temas de forma parcial. Capítulo a capítulo, nos lleva a descubrir la multidimensionalidad de "ese templo sagrado" que hemos olvidado habitar. El cuerpo es el participante de todo lo que sentimos, pensamos, hacemos y vivimos, bien dice Caroline Myss que la "biografía se convierte en biología". Es, además, el territorio en el que se encarnan la dimensión individual y colectiva, la psicológica y transgeneracional (prebiográfica). Al leer este libro, es fácil entender que las heridas y traumas dejan huellas físicas, los pensamientos negativos y los altibajos de nuestro pasado y de nuestro árbol genealógico, lo afectan también. Comprender que estas experiencias se han convertido en una parte de su estructura puede resultar increíblemente curativo.

Jodorowsky's memoirs of his experiences with Master Takata and the group of wisewomen--magiciennes--who influenced his spiritual growth

- Reveals Jodorowsky turning the same unsparing spiritual vision seen in *El Topo* to his own spiritual quest
- Shows how the author's spiritual insight and progress was catalyzed repeatedly by wisewoman shamans and healers

In 1970, John Lennon introduced to the world Alejandro Jodorowsky and the movie, *El Topo*, that he wrote, starred in, and directed. The movie and its author instantly became a counterculture icon. The *New York Times* said the film "demands to be seen," and *Newsweek* called it "An Extraordinary Movie!" But that was only the beginning of the story and the controversy of *El Topo*, and the journey of its brilliant creator. His spiritual quest began with the Japanese master Ejo Takata, the man who introduced him to the practice of meditation, Zen Buddhism, and the wisdom of the koans. Yet in this autobiographical account of his spiritual journey, Jodorowsky reveals that it was a small group of wisewomen, far removed from the world of Buddhism, who initiated him and taught him how to put the wisdom he had learned from his master into practice. At the direction of Takata, Jodorowsky became a student of the surrealist painter Leonora Carrington, thus beginning a journey in which vital spiritual lessons were transmitted to him by various women who were masters of their particular crafts. These women included Doña Magdalena, who taught him "initiatic" or spiritual massage; the powerful Mexican actress known as La Tigresa (the "tigress"); and Reyna D'Assia, daughter of the famed spiritual teacher G. I. Gurdjieff. Other important wisewomen on Jodorowsky's spiritual path include María Sabina, the priestess of the sacred

mushrooms; the healer Pachita; and the Chilean singer Violeta Parra. The teachings of these women enabled him to discard the emotional armor that was hindering his advancement on the path of spiritual awareness and enlightenment.

From the psychomagical guru who brought you *The Holy Mountain* and *Where the Bird Sings Best* comes a supernatural love-and-horror story in which a beautiful albino giantess unleashes the slaving animal lurking inside the men of a small village. When two women—an amnesiac goddess and her protector, a leather-tough woman called Crabby—arrive in a Chilean desert town, Albina’s otherworldly allure and unfettered sensuality turn men into wild beasts. Chased by a clubfooted corrupt cop, evil corporate overlords, giant-hare-riding narcos, and Himalayan cultists, Albina and Crabby must find a magical cactus that will cure Albina and the men’s monstrous affliction before the town consumes itself in an orgy of lust and violence. *Albina and the Dog-Men* is Alejandro Jodorowsky’s darkly funny, shocking, and surreal hybrid of mystical folktale, road novel, horror story, and social parable, ultimately uniting in a universal story of love against the odds and what makes us human. Praise for *Albina and the Dog-Men* —Deeply psychological and mysterious, the book will stimulate the imagination of the reader’s mind to the extreme. —Marina Abramović —In his latest novel, Jodorowsky builds on his multi-decade long assault of the public imagination . . . a fantastical and genre-defying parable of love and friendship. . . . Throughout this dark dream of a novel, Jodorowsky’s writing is comic and occasionally mesmerizing. It is also ripe with horror and philosophical questions about what it means to belong, everywhere and nowhere. And while some of the subject matter is disturbing, it often carries the air of something ancient that you read children by a fire. For years Jodorowsky has proven the intensity of his imagination, and how far he is willing to go to present his singular vision to the world. He is a fully realized artist whose tales demand attention. At its core, *Albina and the Dog-Men* is a love story about two people committed to one another’s survival and to discovering their potential. And, as with life, it is sometimes only through the weathering of a storm that our true capacities are made clear. —Juan Vidal, NPR Books —[*Albina and the Dog-Men*] may be the ultimate piece of Jodorowsky arcana, a mind-bending adventure story on par with his wildest cinematic visions. . . . A surrealist novel par excellence, *Albina and the Dog-Men* is a dream, a prophecy, a hallucination, and a transfiguration such as only Jodorowsky could induce. —Publishers Weekly —Composed like a feverish fairytale, *Albina and the Dog-Men* is a South American parable of self-acceptance and belonging that is fueled by prurience and colored with vivid, hallucinogenic details. . . . No moment of Jodorowsky’s book is at all predictable or familiar, and those who have a taste for the uncanny will be in awe over its undulations into strange, even godly, territory. The sensuality of the prose thickens as Albina’s situation becomes more tenuous, resulting in heady and appealing constructions. . . . As Albina and her followers traipse over barren lands and into forests protected by ancient Incans, the novel winds toward territory both magical and needfully human. The surreal methods of redemption in the novel’s final pages prove both glorious and moving. Jodorowsky’s is a work of unforgettable weirdness, a work whose movements are directed by sometimes violent mysticism and whose final lessons may speak to all who have ever dreamed of transformation. —Michelle Anne Schingler, Foreword Reviews, Five-Star Review

Filmmaker Alejandro Jodorowsky’s insights into the Tarot as a spiritual path — Works with the original Marseille Tarot to reveal the roots of Western wisdom — Provides the key to the symbolic language of the Tarot’s —nomadic cathedral— — Transforms a simple divination tool into a vehicle for self-realization and healing Alejandro Jodorowsky’s profound study of the Tarot, which began in the early 1950s, reveals it to be far more than a simple divination device. The Tarot is first and foremost a powerful instrument of self-knowledge and a representation of the

structure of the soul. The Way of Tarot shows that the entire deck is structured like a temple, or a mandala, which is both an image of the world and a representation of the divine. The authors use the sacred art of the original Marseille Tarot--created during a time of religious tolerance in the 11th century--to reconnect with the roots of the Tarot's Western esoteric wisdom. They explain that the Tarot is a "nomadic cathedral" whose parts--the 78 cards or "arcana"--should always be viewed with an awareness of the whole structure. This understanding is essential to fully grasp the Tarot's hermetic symbolism. The authors explore the secret associations behind the hierarchy of the cards and the correspondences between the suits and energies within human beings. Each description of the Major Arcana includes key word summaries, symbolic meanings, traditional interpretations, and a section where the card speaks for itself. Jodorowsky and Costa then take the art of reading the Tarot to a depth never before possible. Using their work with Tarology, a new psychological approach that uses the symbolism and optical language of the Tarot to create a mirror image of the personality, they offer a powerful tool for self-realization, creativity, and healing.

El actual momento político y social en España es intenso: conflictos territoriales, desafección política, ausencia de valores, noticias manipuladas, desengaño, corrupción... Viejos conocidos para todos nosotros. El libro que tienes en las manos quiere ofrecerte, de una manera clara y directa, criterios para saber cómo actuar socialmente, especialmente, en momentos convulsos. En otras palabras, pretende explicar cómo podemos aprovechar los momentos políticos actuales para crecer interiormente. Porque, a pesar de la confusión imperante, es posible mantener nuestra paz interior inalterada y aprovechar los sucesos que ocurren para avanzar como sociedad y como individuos. Cada situación compleja nos ofrece la oportunidad de crecer interiormente y socialmente. Aprovechemos el momento. ¿Te atreves?
