Essentials of Services Marketing, 3e, is meant for courses directed at undergraduate and polytechnic students, especially those heading for a career in the service sector, whether at the executive or management level. It delivers streamlined coverage of services marketing topics with an exciting global outlook with visual learning aids and clear language. It has been designed so that instructors can make selective use of chapters and cases to teach courses of different lengths and formats in either services marketing or services management.

4LTR Press solutions give students the option to choose the format that best suits their learning preferences. This option is perfect for those students who focus on the textbook as their main course resource. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Grewal and Levy's Marketing is the first text published since the AMA introduced its new value-based definition of the word Marketing, making it the most modern and forward thinking of all principles of marketing offerings. It seeks to apply the marketing concept. Marketing and its supplementary package was built from scratch by focusing on what the market wants. The motto, Marketing Creates Value permeates this text and is stressed through the main themes of entrepreneurship, service global marketing, and ethics.

Marshall/Johnston's Marketing Management, 2e has taken great effort to represent marketing management the way it is actually practiced in successful organisations today. Given the dramatic changes in the field of marketing, it is a sure bet that the job of leading marketing manager's contributions to the organisation and its customers, clients, and partners has changed at the same level. Yet, no marketing management book on the market today fully and effectively captures and communicates to students how marketing management is really practiced in the 21st century business world. Clearly, it is time for an updated approach to teaching and learning within the field. Marketing Management 2e is designed to fulfill this need.

Record Label Marketing, Third Edition is the essential resource to help you understand how recorded music is professionally marketed. Fully updated to reflect current trends in the industry, this edition is designed to benefit marketing professionals, music business students, and independent artists alike. As with previous editions, the third edition is accessible for readers new to marketing or to the music business. The book addresses classic marketing concepts while providing examples that are grounded in industry practice. Armed with this book, you'll master the jargon, concepts, and language to understand how music companies brand and market artists in the digital era. Features new to this edition include: Social media strategies including step-by-step tactics used by major and independent labels are presented in a new section contributed by Ariel Hyatt, owner of CYBER PR. An in-depth look at SoundScan and other big data matrices used as tools by all entities in the music business. An exploration of the varieties of branding with particular attention paid to the impact of branding to the artist and the music business in a new chapter contributed by Tammy Donham, former Vice President of the Country Music Association. The robust companion website, focalpress.com/cw/macy, features weblinks, exercises, and suggestions for further reading. Instructor resources include PowerPoint lecture outlines, a test bank, and suggested lesson plans.

This introductory textbook shows you how to apply the principles of marketing within the hospitality industry. Written specifically for students taking marketing modules within a hospitality course, it contains examples and case studies that show how ideas and concepts can be successfully applied to a real-life work situation. It emphasizes topical issues such as sustainable marketing, corporate social responsibility and relationship marketing. It also describes the impact that the internet has had on both marketing and hospitality, using a variety of tools including a wide range of internet learning activities. This 3rd Edition has been updated to include: Coverage of hot topics such as use of technology and social media, power of the consumer and effect on decision making, innovations in product design and packaging, ethical marketing and sustainability marketing Updated online resources including: power point slides, test bank of questions, web links and additional case studies New and updated international case studies looking at a broad range of hospitality settings such as restaurants, cafes and hotels New discussion questions to consolidate student learning at the end of each chapter.

Record Label Marketing, Third Edition is the essential resource to help you understand how recorded music is professionally marketed. Fully updated to reflect current trends in the industry, this edition is designed to benefit marketing professionals, music business students, and independent artists alike. As with previous editions, the third edition is accessible for readers new to marketing or to the music business. The book addresses classic marketing concepts while providing examples that are grounded in industry practice. Armed with this book, you'll master the jargon, concepts, and language to understand how music companies brand and market artists in the digital era. Features new to this edition include: Social media strategies including step-by-step tactics used by major and independent labels are presented in a new section contributed by Ariel Hyatt, owner of CYBER PR. An in-depth look at SoundScan and other big data matrices used as tools by all entities in the music business. Instructor resources include PowerPoint lecture outlines, a test bank, and suggested lesson plans.

Instructor Resources: Test bank, course lesson plans, PowerPoint slides, and a transition guide to the new edition. New! Comprehensive course lesson plans are designed to promote an active classroom. Use the lesson plans to set up a new course or adapt your current syllabus to this edition of the text. Activities have been designed to enhance critical-thinking and problem-solving skills, as well as information retention and retrieval capacity. Designed for either an online or on-ground environment. Includes 27 Case Studies! Healthcare organizations are facing significant challenges as implementation of the Affordable Care Act brings about a number of paradigm shifts in the field. In the face of these challenges, healthcare marketers can implement a wide range of strategies--both traditional and contemporary--to help their organizations successfully navigate this period. This book brings a fresh perspective to many tried-and-true marketing techniques but also discusses new opportunities, including social media, healthcare globalization, consumer engagement, and more. Changes to the third edition: The latest healthcare marketing trends are discussed, including database marketing, customer relationship management, and digital marketing A new chapter on social media reviews the various forms of digital communication and their impact on disseminating healthcare information within the field and to consumers Supporting information within the text includes in-line glossary terms, key points at the end of each chapter, discussion questions for student collaboration, and additional resources on topics discussed in the chapter Revised support materials include an instructor's manual, PowerPoint slides, answers to selected case study questions, and an entirely new test bank

For undergraduate and graduate courses in global marketing The excitement, challenges, and controversies of global marketing. Global Marketing reflects current issues and events while offering conceptual and analytical tools that will help students apply the 4Ps to global marketing. MyMarketingLab for Global Marketing is a total learning package. MyMarketingLab is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams-resulting in better performance in the course-and provides educators a dynamic set of tools for gauging individual and class progress.
