While most people operate with only three degrees of action—no action, retreat, or normal action—if you're after big goals, you don't want to settle for the ordinary. To reach the next level, you must understand the coveted 4th degree of action. This 4th degree, also known as the 10 X Rule, is that level of action that guarantees companies and individuals realize their goals and dreams. The 10 X Rule unveils the principle of "Massive Action," allowing you to blast through business clichés and risk-aversion while taking concrete steps to reach your dreams. It also demonstrates why people get stuck in the first three actions and how to move into making the 10X Rule a discipline. Find out exactly where to start, what to do, and how to follow up each action you

us are big goals and lofty dreams. We aspire to be better people so we can live a fulfilling life, help those we care for, make our mark in this world and leave it a little better than we found it. As humans, we strive for more than just living; we strive to make a difference and to inspire others. However, sometimes we get stuck and find it hard to persevere. Other times we are fearful, since the gap between where we are today and where we hope to be tomorrow looks enormous. This can cause us to give up before we even start or become discouraged in the process. There is no need to struggle by yourself. The 1% Solution offers a simple and easy-to-follow solution that will not let you down. It shows you how to use the compounding power of good habits to overcome setbacks and to
