Use Todoist with Android Wear. IFTTT Recipes. Whenever you add a task in Todoist, the IFTTT recipe will automatically create a card in Trello.

## ALLEN/GETTING THINGS DONE

Read the Wall Street Journal Bestseller for "cultivating intense focus" for fast, powerful performance results for achieving success and true meaning in one's professional life (Adam Grant, author of Give and Take). Deep work is the ability to focus without distraction on a cognitively demanding task. It's a skill that allows you to quickly master complicated information and produce better results in less time. Deep Work will make you better at what you do and provide the sense of true fulfillment that comes from craftsmanship. In short, deep work is like a super power in our increasingly competitive twenty-first century economy. And yet, most people have lost the ability to go deep—spending their days instead in a frantic blur of e-mail and social media, not even realizing there's a better way. In Deep Work, author and professor Cal Newport flips the narrative on impact in a connected age. Instead of arguing distraction is bad, he instead celebrates the power of its opposite. Dividing this book into two parts, he first makes the case that in almost any profession, cultivating a deep work ethic will produce massive benefits. He then presents a rigorous training regimen, presented as a series of four "rules," for transforming your mind and habits to support this skill. 1. Work Deeply 2. Embrace Boredom 3. Quit Social Media 4. Drain the Shallows A mix of cultural criticism and actionable advice, Deep Work takes the reader on a journey through memorable stories—from Carl Jung building a stone tower in the woods to focus his mind, to a social media pioneer buying a round-trip business class ticket to Tokyo to write a book free from distraction in the air—and no-nonsense advice, such as the claim that most serious professionals should quit social media and that you should practice being bored. Deep Work is an indispensable guide to anyone seeking focused success in a distracted world. An Amazon Best Book of 2016 Pick in Business & Leadership Wall Street Journal Business Bestseller A Business Book of the Week at 800-CEO-READ

## Read Free Master Todoist How To Use A Simple App To Create Actionable To Do Lists And Organize Your Life

**LEARN::** How a Simple App Can Organize Your Life and Help You Start Getting Things Done Are you struggling with being organized? Do you have too much to do? Zen To Done is a simple system to help you get organized and productive--keeping your life saner and less stressed--with a set of simple habits. Zen To Done takes some of the best aspects of popular productivity systems (GTD, Stephen Covey, and others), then combines and simplifies them, giving you just what you need--and no more. Simply put, ZTD teaches you: (1) The key habits needed to be organized and productive. (2) How to implement these habits. (3) How to organize the habits into a simple system that will keep everything in your life in its place. (4) How to simplify what you need to do. (5) How to implement an even simpler version called Minimal ZTD. If you're tired of doing things the hard way and just want a simple, easy, yet effective way to accomplish your goals, Zen To Done is just what you need.

An efficiency expert offers a time management system that will create a greater sense of accomplishment at the end of every workday.

A guide to the Agile Results system, a systematic way to achieve both short- and long-term results that can be applied to all aspects of life.
