"The most stimulating and thought-provoking book on India in a long time..Bumiller has made India new and immediate again." THE WASHINGTON POST BOOK WORLD In a chronicle rich in diversity, detail, and empathy, Elisabeth Bumiller illuminates the many women's lives she shared--from wealthy sophisticates in New Delhi, to villagers in the dusty northern plains, to movie stars in Bombay, intellectuals in Calcutta, and health workers in the south--and the contradictions she encountered, during her three and a half years in India as a reporter for THE WASHINGTON POST. In their fascinating, and often tragic stories, Bumiller found a strength even in powerlessness, and a universality that raises questions for women around the world.

A Journey Among The Women Of India In This Travelogue, Washington Post Reporter In India Elisabeth Bumiller, Goes To Most Parts Of India Examining The Realities Of The Lives Of Indian Women: Villagers, Movie-Stars, Intellectuals, Police-Women And Others.

NATIONAL BESTSELLER "A finely paced, shrewdly observed, multi-tiered story . . . A thinking (and feeling) reader's thriller." —Wall Street Journal "Chilling, thought-provoking, and hauntingly written, Mother May I kept me on the edge of my seat with its breathless race against time." — Megan Miranda, New York Times bestselling author of The Girl from Widow Hills Recommended by BuzzFeed • Parade • Country Living • Atlanta Journal-Constitution • Augusta Chronicle • The Nerd Daily • She Reads • BookBub • and more! The New York Times bestselling author of the critically acclaimed Never Have I Ever returns with an even more addictive novel of domestic suspense in which a mother must decide how far she is willing to go to protect her child and the life she loves—an unforgettable tale of power, privilege, lies, revenge, and the choices we make, ones that transform our lives in unforeseen ways. Revenge doesn't wait for permission. Growing up poor in rural Georgia, Bree Cabbat was warned that the world was a dark and scary place. Bree rejected that fearful outlook, and life has proved her right. Having married into a family with wealth, power, and connections, Bree now has all a woman could ever dream of. Until the day she awakens and sees someone peering into her bedroom window—an old gray-haired woman dressed all in black who vanishes as quickly as she appears. It must be a play of the early morning light or the remnant of a waking dream, Bree tells herself, shaking off the bad feeling that overcomes her. Later that day though, she spies the old woman again, in the parking lot of her daughters' private school . . . just minutes before Bree's infant son, asleep in his car seat only a few feet away, vanishes. It happened so quickly—Bree looked away only for a second. There is a note left in his place, warning her that she is being is being watched; if she wants her baby back, she must not call the police or deviate in any way from the instructions that will follow. The mysterious woman makes contact, and Bree learns she, too, is a mother. Why would another mother do this? What does she want? And why has she targeted Bree? Of course Bree will pay anything, do anything. It's her child. To get her baby back, Bree must complete one small—but critical—task. It seems harmless enough, but her action comes with a devastating price. Bree will do whatever it takes to protect her family—but what if the cost tears their world apart?

"A book of great value for every daughter and every mother; useful for sons, too."—Benjamin Spock, M.D. From the Introduction: The goal of this book is to help readers achieve that separation so that they can either find a way to be friends with their mothers, or at least recognize and accept that their mothers did the best they could—even if it wasn't "good enough"—and to stop blaming them. Among the issues to be covered: • To understand how a daughter's attachment to her mother—more so than her relationship with her father—colors all her other relationships, and to analyze why it is more difficult for daughters than sons to separate from their mothers, as well as why daughters are more subject than sons to a mother's manipulation • To recognize the difference between a healthy and a destructive mother-daughter connection, and to define clearly the "bad mommy," in order to help readers who have trouble acknowledging their childhood losses to begin to comprehend them • To conjugate what I call the "Bad Mommy Taboo"—why our culture is more eager to protect the sanctity of maternity than it is to protect emotionally abused daughters • To describe the evolution of the "unpleasable" mother—in all likelihood, she was bereft of maternal love as a child—and to recognize the huge, and often poignant, stake she has in keeping her grown daughter dependent and off-balance • To illustrate the consequent controlling behavior—in some cases, cloaked in fragility or good intentions—of such mothers, which falls into general patterns, including: the Doormat, the Critic, the Smotherer, the Avenger, the Deserter • To understand that the daughter has a similar stake in either being a slave to or hating her mother—the two sides of her dependency and immaturity • To illustrate the responsive behavior—and survival mechanisms —of daughters, which is determined in part by such variables as birth rank, family history, and temperament, and which also falls into patterns, including: the Angel, the Superachiever, the Cipher, the Troublemaker, the Defector • To show how to redefine the mother-daughter relationship, so that each can learn to see and accept the other as she is today, appreciating each other's good qualities and not being snared by the bad • Finally, to demonstrate that a redefined relationship with one's mother—adult to adult—frees you from the past, whether that redefinition ultimately results in real friendship, affectionate truce, or divorce.

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

The 57th Massachusetts Veteran Volunteers lost more men killed and mortally wounded than any other regiment in the Union army. In this classic Civil War unit history, Wilkinson crafts an intimate, gutsy, candid story of men at war. • Covers the Wilderness, Spotsylvania, Cold Harbor, and Petersburg • No-holds-barred account of the fatigue, horror, boredom, gallantry, and cowardice of the Civil War soldier

A Federal regiment's exploits in the last year of the Civil War

If I could keep you little, I'd keep you close to me. But then I'd miss you growing into who you're meant to be! If I Could Keep You Little speaks straight to every parent's heart, exploring the powerful feeling of wanting your child to grow up while savoring every moment. Sure to become a new favorite, this book showcases author/illustrator Marianne Richmond's ability to beautifully illustrate the complex emotions we all have.

"Slay Like a Mother is a feisty, clever, and fun blueprint for modern motherhood that belongs on every book shelf and in every diaper bag...As a woman and mother, you'll gain a newfound power, happiness, and ability to leap tall Lego buildings in a single bound."—Erin Falconer, author of How To Get Sh\*t Done: Why Women Need to Stop Doing Everything So They Can Achieve Anything A revelatory, inspirational guide for mothers to crush their "never enough" mentality and slay every day! Katherine Wintsch knows firsthand the self-doubt that rages inside modern moms. As founder and CEO of The Mom Complex, she has studied the passions and pain points of moms worldwide to help some of the largest brands develop innovative new products and services. As a working mom of two, she was running in an exhausting cycle of "never enough"—not strong enough, not thin enough, not patient enough, not "mom" enough. In Slay Like a Mother, you'll laugh, you'll cry, and you'll discover eye-opening lessons about: THE MASK YOU'RE WEARING. The one you hide behind when you say everything is "just fine" when it's not. YOUR UNREALISTIC EXPECTATIONS. The goal-setting tactics you're deploying to get ahead could be what's holding you back. THE DIFFERENCE BETWEEN STRUGGLING AND SUFFERING. Being a mother is a struggle — it always has been — but your suffering is optional. Brave, supportive, and insightful, the stories and advice in this book will encourage you to live more confidently, enjoy the present, and become your best self — as a woman, a mother, and beyond. Perfect for fans of Girl Wash Your Face and #IMomSoHard! \*\*\*As featured in The Wall Street Journal and Parade.com\*\*\* Additional Praise for Slay Like a Mother: "Wintsch's style is brisk and forthright with enough humor to make readers laugh even as she illuminates dark corners. Although this is aimed at moms, any woman will find this enlightening and encouraging."—Booklist, STARRED review "Slay Like a Mother is much more than a self-help book for women; it is the end of self-doubt and the beginning of self-love... and that is nothing short of life-changing"—Rachel Macy Stafford, New York Times bestselling author of Hands Free Mama
