Annually updated and revised by Hon. Donald G. Alexander of the Maine Supreme Judicial Court, Maine Jury Instruction Manual includes a wide array of civil and criminal jury instructions accompanied by commentary and discussion of practice points for closing arguments. New and revised instructions and commentary offer expert guidance on convening the jury panel, jury selection and voir dire, and return of the verdict, as well as practical guidance on how to present information to a jury in layman's terms to ensure effective communication with jury panels. Maine Jury Instruction Manual also provides extensive cross-references and online hyperlinks to the pattern criminal jury instructions for the District Courts of the First Circuit, with a cross-reference table and cross-references in related individual jury instructions. The subject matter index, table of cases, and table of statutes are also annually updated to reflect expanded and revised jury instruction coverage. The sample jury instructions will help legal professionals to avoid costly errors and to prepare for trial more quickly. The instructions lend themselves to ready customization to the facts of the case and expedite preparation for court. The vast array of forms in Maine Jury Instructions will save hours of expensive and frustrating research and replication.

Maine Jury Instruction Manual includes many new instructions and a new discussion of practice points for closing arguments. In addition to sample instructions, the manual offers expert commentary on convening the jury panel, jury selection and voir dire, and return of the verdict. Since its introduction in 1975, the BMW 3-series has earned a reputation as one of the world's greatest sports sedans. Unfortunately, it has also proven one of the more expensive to service and maintain. This book is dedicated to the legion of BMW 3-series owners who adore their cars and enjoy restoring, modifying, and maintaining them to perfection; its format allows more of these enthusiasts to get out into the garage and work on their BMWs-and in the process, to save a fortune. Created with the weekend mechanic in mind, this extensively illustrated manual offers 101 projects that will help you modify, maintain, and enhance your BMW 3-series sports sedan. Focusing on the 1984-1999 E30 and E36 models, 101 Performance Projects for Your BMW 3-Series presents all the necessary information, covers all the pitfalls, and assesses all the costs associated with performing an expansive array of weekend projects.

A comprehensive collection of jury instructions for all aspects of automobile actions, with a subject matter index and tables of cases and statutes . For each instruction, it provides supporting authority from all 50 states, commentary regarding the use of the instruction, and collateral references such as pertinent law review articles. The practitioner will find instructions for:

- Proof of negligence
- Special classes of vehicles and operators
- Condition of the vehicle operator
- Condition of the vehicle
- Condition of the roadway
- Abutting landowners, parking lots, and animals
- Railroad crossings
- Intersections
- Vehicle operator's duties
- Negligence of third parties
- Special duties (children, bicyclists, motorcyclists, pedestrians, highway workers, passengers, seat belts, and guest statutes)
- Defenses (comparative and contributory negligence, assumption of risk, sudden emergency, and unavoidable accident)
- Products liability
- No-fault insurance
- Damages

Jury Instructions on Products Liability, Fourth Edition covers the issues likely to arise in a trial. Judges have given them, juries have followed them, and appeals courts have tested them. Each instruction cites supporting case law, including relevant law review articles and annotations to American Law Reports, to save time and effort in finding support for your request. Jury Instructions on Products Liability explains the issues for the layman, translating complex legal issues into everyday language. Tailor each instruction to fit the unique details of your case and fine-tune the issues to assert more control over jury deliberations. Jury Instructions on Products Liability includes hundreds of instructions on these and other topics:

- Duty to warn
- Strict products liability
- Unavoidably unsafe products
- Warranty liability and misrepresentation
- Design defect liability
- Risk-utility doctrines
- Testing and inspection
- Industry standards and customs
- Comparative negligence
- Assumption of risk
- Causation

The Fourth Edition also addresses the New Restatement of Torts: Products Liability.
