tools, and create space to become a Together Teacher. This practical resource shows teachers how to be effective and have a life! Author and educator Maia Heyck-Merlin explores the key habits of Together Teachers—how they plan ahead, organize work and their classrooms, and how they spend their limited free time. The end goal is always strong outcomes for their students. So what does Together, or Together Enough, look like? To some teachers it might mean neat filing systems. To others it might mean using time efficiently to get more done in fewer minutes. Regardless, Together Teachers all rely on the same skills. In six parts, the book clearly lays out these essential skills. Heyck-Merlin walks the reader through how to establish simple yet successful organizational systems. There are concrete steps that every teacher can implement to achieve greater

When it comes to money management, most of us take a hands-off approach because we're just not confident that we have the know-how needed. But personal finance is actually more personal than it is finance. Tim Maurer has made a career out of distilling complex financial concepts into understandable, doable actions. In this eminently practical book, he shows readers how to - better understand their values and goals in order to simplify their money decisions - budget major expenses intelligently - reduce and eliminate debt - make vital decisions on home, auto, and life insurance - establish a world-class investment portfolio - craft a workable retirement plan - and more Readers will be relieved to see that managing their money is actually not as complicated as they thought--and that they can take control of their financial future starting today.
