I loved to read the rants and musings described in her daily life in the book. Mrs. Funnybones isn't just about few incidences in the life of the author but if you come to think of it, more or less, it's a part and parcel of every women's life at least in India.

Mrs Funnybones – the book, is narrated by Mrs Funnybones – Twinkle Khanna’s alter-ego (or so she says). I read this book in one-sitting – a feat I haven’t performed in the past few years – not because it is an unputdownable, flawless, literary gem, but only because it is a super fast, quick read.

Mrs. Funnybones. Posted on November 1, 2017. May 16, 2019. by TheSeer Team. “Twinkle Twinkle little star. I am going to hit you with a car.”. Yes, Twinkle Khanna did say that, very eloquently in fact. To an unfortunate man in the audience who drew her ire by cracking jokes on her name, she responded in her funny fashion (no pun intended). Welcome to the session reigned by Mrs. Funnybones.

Full of wit and delicious observations, Mrs Funnybones captures the life of the modern Indian woman a woman who organizes dinner each evening after having been at work all day, who runs her own life but has to listen to her mummyji, who worries about her weight and the state of the country. Based on Twinkle Khanna’s super-hit column, Mrs Funnybones marks the debut of one of our funniest, most original voices.

Full of wit and delicious observations, ‘Mrs Funnybones’ captures the life of the modern Indian woman a woman who organizes dinner each evening, even as she goes to work all day, who runs her own life but has to listen to her Mummyji, who worries about her weight and the state of the country.

I am Lakshmi Prasad, native of Bithur. I am doing PhD on a very important subject “Mating habits of gay chimpanzees in West Africa” at PANU University, the best University in India and possibly the best University in the world. My idols are “Faizal Guru”, “Janab Kasab Sahib”, “Focus Carat”, “Baba Badkar”, “Zakir Nalayak”, “Gharkha Dutt”, “Dr. Kana Ayyub” and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free penson of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, s/he can use his/her doctorate degree and force others to call him/her Dr. X, Dr. Y ,etc.

“A sparkling debut.”–Emily Giffin, #1 New York Times Bestselling Author From a compelling new voice in women’s fiction comes a mother-daughter story about three generations of women who struggle to define themselves as they pursue their dreams. Simran Mehta has always felt harshly judged by her mother, Nandini, especially when it comes to her little “writing hobby.” But when a charismatic and highly respected journalist careens into Simran’s life, she begins to question not only her future as a psychologist, but her engagement to her high school sweetheart. Nandini Mehta has strived to create an easy life for her children in America. From dealing with her husband’s demanding family to the casual racism of her patients, everything Nandini has endured has been for her children’s sake. It isn’t until an old colleague makes her a life-changing offer that Nandini realizes she’s spent so much time focusing on being the Perfect Indian Woman, she’s let herself slip away. Mimi Kadakia failed her daughter, Nandini, in ways she’ll never be able to fix—or forget. But with her granddaughter, she has the chance to be supportive and offer help when it’s needed. As life begins to pull Nandini and Simran apart, Mimi is determined to be the bridge that keeps them connected, even as she carries her own secret burden.

A New York Times Book Review Editor’s Choice and an NPR Best Book of the Year in eleven sharp, surprising stories, Neel Patel gives voice to our most deeply held stereotypes and then slowly undermines them. His characters, almost all of who are first-generation Indian Americans, subvert our expectations that they will sit quietly by. We meet two brothers caught in an elaborate web of envy and loathing; a young gay man who becomes involved with an older man whose secret he could never guess; three women who almost gleefully throw off the pleasant agreeability society asks of them; and, in the final pair of linked stories, a young couple struggling against the devastating force of community gossip. If You See Me, Don’t Say Hi examines the collisions of old world and new world, small town and big city, traditional beliefs (like arranged marriage) and modern rituals (like Facebook stalking). Ranging across the country, Patel’s stories -- empathetic, provocative, twisting, and wryly funny -- introduce a bold new literary voice, one that feels more timely than ever.

The world knows Madame Tussaud as a wax artist extraordinaire . . . but who was this woman who became one of the most famous sculptresses of all time? In these pages, her tumultuous and amazing story comes to life as only Michelle Moran can tell it. The year is 1788, and a revolution is about to begin. Smart and ambitious, Marie Tussaud has learned the secrets of wax sculpting by working alongside her uncle in their celebrated wax museum, the Salon de Cire. From her popular model of the American ambassador, Thomas Jefferson, to her tableau of the royal family at dinner, Marie’s museum provides Parisians with the very latest news on fashion, gossip, and even politics. Her customers hail from every walk of life, yet her greatest dream is to attract the attention of Marie Antoinette and Louis XVI; their stamp of approval on her work could catapult her and her museum to the fame and riches she desires. After months of anticipation, Marie learns that the royal family is willing to come and see their likenesses. When they finally arrive, the king’s sister is so impressed that she requests Marie’s presence at Versailles as a royal tutor in wax sculpting. It is a request Marie knows she cannot refuse—even if it means time away from her beloved Salon and her increasingly dear friend, Henri Charles. As Marie gets to know her pupil, Princesse Elisabeth, she also becomes acquainted with the king and queen, who introduce her to the glamorous life at court. From lavish parties with more delicacies than she’s ever seen to rooms filled with candles lit only once before being discarded, Marie steps into a world entirely different from her home on the Boulevard du Temple, where people are selling their teeth in order to put food on the table. Meanwhile, many resent the vast separation between rich and poor. In salons and cafés across Paris, people like Camille Desmoulin, Jean-Paul Marat, and Maximilien Robespierre are lashing out against the monarchy. Soon, there’s whispered talk of revolution. . . . Will Marie be able to hold on to both the love of her life and her friendship with the royal family as France approaches civil war? And more important, will she be able to fulfill the demands of powerful revolutionaries who ask that she make the death masks of beheaded aristocrats, some of whom she knows? Spanning five years, from the budding revolution to the Reign of Terror, Madame Tussaud brings us into the world of an incredible heroine whose talent for wax modeling saved her life and preserved the faces of a vanished kingdom.

‘Observant, moving, hilarious and exceptionally astute...Paradise Towers is no slice of life...it's an entire loaf' - Karan Johar ‘Thoughtful, incisive and nuanced - just like the author’ - Priyanka Khanna, Vogue Dinesh opens the door to the Kapoor flat to find Lata, the enchantress who works at Mrs Aly Khan’s, carrying a hot case with freshly made gaajar ka halwa. On the first floor, the inquisitive Mrs Moody wipes the dust off her precious binoculars to spy on the building’s security guard. The Singhs open the doors of their SUV, their four boys creating a ruckus - they are the newcomers, the outsiders. Through the peephole, the ever-watchful Mrs Ranganekar observes their arrival. Welcome to Paradise Towers, an apartment building in central Mumbai. Everyone here has a story to tell. Or maybe they have stories to hide.Shweta Bachchan-Nanda’s quirky, intimate debut explores the intertwined lives in this building - a forbidden romance, an elopement, the undercurrents of tension in corridor interactions and an explosive Diwali celebration. Bachchan-Nanda’s is a dazzling voice that will draw you into the intoxicating, crazy world that is Paradise Towers.

‘Jane Austen meets Bridget Jones... Hilarious’ Glamour Meet Butterfly - loveable socialite, avid party-goer, inspired shopper and unwittingly acute observer. Of course everyone thinks her life is perfect but having to contend with a conniving mother-in-law, a husband who doesn’t like parties, and a circle of friends who bring new meaning to the word competitive, Butterfly thinks her life is far from enviable. And as she lurches from crisis to crisis, trailing Jimmy Choos and pearls of wisdom along the way, it seems she might have a little more on her plate than she’s first realised... Wicked, irreverent and hugely entertaining, The Diary of a Social Butterfly gives you a delicious glimpse into the parallel universe of the have-musts.

With no known heir to the Empire, four conflicting noble families will use whatever means necessary to claim power for themselves, but only one can become the next ruler. While the nobles fight amongst themselves, some people of the Empire struggle to survive. Growing up on the streets of Mordale, Eileen has never known her family, or much else beyond the best place to steal a meal. This all changes after one stormy night of loss, fear, and escape. Eileen is suddenly plunged into Mordale’s political turmoil, and her fate is intertwined with a warm-hearted but strict-to-his-duty messenger of the Empire, Daithi. Although raised in the political world, Daithi’s loyalties are challenged as he must decide between his duties as a messenger and a hidden truth that could change the course of not only his life, but that of every citizen in Mordale, as the imminent civil war has taken in more than just the noble families. He must stay unbiased while making decisions best for the Empire while helping those he cares about make the best decisions for themselves. In the end, Eileen must determine who she is and who she will become as the struggle to rule consumes Mordale, while Daithi must choose between duty and his heart before too much is lost.

Set in Calcutta in the 1970s, There Was No One at the Bus Stop is a powerful exploration of adultery and its overwhelming consequences. Trina, a married woman, impulsively decides one day to stop living a lie and walks out on her husband, daughter and son, in whose lives she no longer plays a role. But will she be able to sever the bonds and join the man she loves in his home? The man, Debashish, is haunted by his wife’s recent suicide and is tormented by the possibility that his young son would rather live away from him. Through spare prose and searing dialogue, this novel unfolds over twelve hours on a single day. It reveals the often complex reasons that hold human relationships together and the motives that break them apart.
